Overview

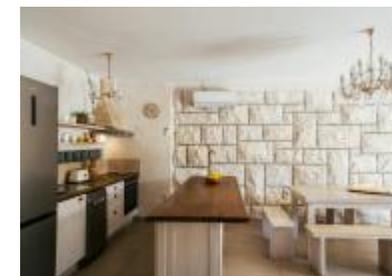

Villa Vallum is a traditional stone villa, with modern, carefully designed furnishings throughout. A romantic, care-free atmosphere encompasses the property, drawing you in and making you never want to leave! This fabulous, sea front, villa is in one of the most exclusive locations in Croatia, only a few steps away from the medieval heart of Bol, yet its location is extremely peaceful and offers a lot of privacy.

Refurbished in 2011, Villa Vallum combines traditional stone walls that reflect a warmth and certain cosiness into the rooms, with simple and stylish, modern additions. Artistically designed, the romance of the property continues from each room to the next. The ground floor consists of a classy, social kitchen with all the equipment you might need to make some fabulous holiday meals. A large living and dining area offers a relaxed elegance to the villa, this is the spot to lounge back on the sofa finishing the pages of your favourite book and enjoying a morning coffee before heading out to explore this desirable area. There is a separate toilet and utility room on this floor. On the upper floor you will find four spacious bedrooms and three bathrooms. Two master bedrooms overlook the sea and each has its own luxury en-suite bathroom. All the hot water in this property comes from a renewable source and all the rooms are individually air conditioned for your comfort.

As you step outside, the laid-back, stress-free ambience of Villa Vallum continues. Views look out over the sea and there is a comfy outdoor seating area with space for everyone to sit around, enjoying a bottle of local wine long into the evening! The private swimming pool sits in front of the villa, with a sunbathing platform for you to top up your tan.
