Location & Local Information

Gran Canaria is an island which has it all. Exquisite landscapes, beautiful beaches, entertainment when you want it, and peace and quiet when you don't. Its irresistible mix of nature, culture and a warm welcome to visitors brings people back time and again.

The capital, Las Palmas, sits in the far north-eastern corner of the island. Among its highlights are the huge marina, Muelle Deportivo, and the beautifully designed park, Parque Doramas. Also, look out for the eye-catching Alfredo Klaus Auditorium which itself looks out on Las Canteras beach. You may even see a show or a concert there.

There is lots more of architectural interest in the town. Many of the most interesting buildings are found in the Vegueta area, including Santa Ana Cathedral. You will also find a Christopher Columbus museum and a modern art gallery in this district.

Away from Las Palmas, Gran Canaria has many more highlights. The Cueva Pintada archaeological site is a must for history lovers, while the cloud-filled views at the island's peak near the town of Tejada are definitely worth the journey. On the southern coast, you have the sand dunes of the extensive beaches at Maspalomas, while charming spots like Puerto de las Nieves and Agaete in the north west, will simply make you feel good with their unspoilt natural beauty.

As one of Europe's most gay-friendly destinations, Gran Canaria has no shortage of welcoming bars and clubs, while the regular carnivals and fiestas provide good fun for all. Whatever you plan on doing, you can be sure Gran Canaria has the weather for it, with the sun shining pretty much continuously all year round.
