## Location & Local Information

The property is located close to the beautiful bay of Puerto Pollensa, and a short drive to the historic town of Pollensa and fishing village of Cala San Vicente.

Puerto Pollensa has a wonderful long sand beach, perfect for families due to the shallow waters there. Cafes, restaurants, ice cream shops and bars line the beach, along with watersport facilities.

Pollensa has everything you need for a wonderful holiday, situated inland from some of Spain's finest sand beaches. The town itself centres around beautiful cobbled streets leading to a traditional church. Wander the streets that lead to the church to discover traditional outlets selling a range of foods, arts and crafts as well as cafes, restaurants and bars. The highlight of the week is the authentic and traditional market that occurs every Sunday morning. Get there early to secure the freshest fruit, vegetables, meat and fish.

The Calvari steps provide the best view of the local area, but be warned that to get to the top you have to climb 365 of them. However, the climb is worth it and the views definitely do not disappoint.
