Overview

Villa Coloma is an elegant and chic whitewashed villa with an undertone of traditional North African architecture, set within its immaculate grounds with glistening private pool and sublime outdoor spaces, framed by swaying palm trees.

The pretty, enclosed courtyard with its flowering plants and terracotta tiles provides a tranquil spot for al fresco meals or relaxing with a book or glass of wine. The white-washed, flat roof design again with a nod to Moroccan style, while the palm trees and fragrant bougainvillea add to the tropical atmosphere.

This home's interiors offer rustic charm, with a large farmhouse style kitchen providing a feel of low-key luxury; exposed timber beams and whitewashed walls offer a traditional feel, while all fittings and appliances are immaculate and top-grade. Ideal for eating in; for relaxed snacks or children's meals, cooking will be an informal affair, yet every requirement is taken care of with effortless grace.

The "snug" lounge space is warm and inviting, soft, muted colours and lighting; arched entrance, curved doorframe with original timber door - again with a dash of Arabic flair evident in the laid-back, understated and "home-like" feel of this villa. Guests will enjoy downtime, within an environment that is so far from yet another sterile and anonymous holiday rental.

On the contrary - the stylish owner has filled it with a sense of place and bohemian charisma, with artefacts and natural materials and authentic features. The Leather seating, brightly coloured cushion covers and hanging lanterns give a "souk" like appeal!

The pool area glistens, framed with natural stone, offering alluring blue-green sparkling waters - an oasis within which to cool away, away from the bustle of town life. Imagine enjoying fresh grilled fish on the barbecue, the sun softening in the evening, relaxing by the pool following a refreshing swim!

Villa Coloma can accommodate up to ten guests across four bedrooms; the spiral staircase leads to the semi self-contained suite. The roof terraces offer ample lounging space, as well as romantic, private little nooks for drinks or special moments, overlooking the rolling hills.

The bedrooms offer cool, calm, air-conditioned tranquillity, with comfortable, neutral decor, offset by accents of vibrant colour; quality, crisp cotton bed linen and fluffy towels.

Throughout this home, every hallmark of quality has been observed, every up to date convenience, within the spirit of laid-back charm and rustic style, nestled in a delightful, idyll of a spot. From the sculptured, private enclosed gardens to the American style fridge, utility room, five ring hob and ample private parking - this home combine practicality with pure Ibiza romance and escapism!
