Characterized by a cutting-edge style, this villa is thoughtfully equipped with modern amenities. Its well-lit interior spaces seamlessly blend indoor and outdoor living, resulting in harmonious unity. Meticulously curated furnishings adorn the interiors, striking a perfect balance between comfort and sophistication. The residence is replete with all the conveniences of modern living; the well-appointed kitchen seamlessly connects to the living room, opening up to a spacious terrace that offers an ideal setting for open-air dining.

Accommodation-wise, the lower floor features a capacious living and dining area that bridges the gap between indoor and outdoor spaces. This area leads to a partially covered surface that encompasses a private (heatable) swimming pool, a terrace for sunbathing, and an outdoor dining locale. The fully-equipped kitchen, complete with a breakfast bar, is also found on this level. A second living space, adorned with comfortable seating and direct access to the front garden, completes the lower floor.

Moving to the upper floor, you'll find three double bedrooms, each boasting an ensuite bathroom, along with a twin bedroom with its own ensuite bathroom. Sliding doors in each of the four bedrooms grant access to generous terraces, where uninterrupted sea views take centre stage.

Outside, the meticulously maintained mature garden is complemented by sunbathing terraces and a lush lawn. An inviting terrace provides an ideal setting for alfresco dining, and the private covered swimming pool, measuring 10m x 5m, promises relaxation and leisure. ## Location & Local Information

When you need to stock up on essentials there are amenities such as a minimarket and shops within a 20-minute walk from the villa. The nearest town is Caminha, a popular coastal resort where the River Minho meets the sea on the Costa Verde. The drive will take around 10 minutes and gives the chance to take in some lovely scenery even before you reach your destination, as the route passes close to the coast.

The old town area of Caminha is centred around the main square with features including a 16th century fountain and a clock tower that was originally the medieval castle's keep. The square is also a great place to people watch and see locals going about their daily lives. After you've taken in all the historical and cultural sights, relax with a coffee and a traditional Portuguese pastry on one of the many cafe terraces.

The Minho River is good for kayaking, canoeing and windsurfing, and the strong waves of the sea make for great surfing conditions. You can also hire bikes to follow cycle trails through the pine forests and hills that make up this area's unique landscape.

Vila Nova de Cerveira is approximately 17 km north of the villa and is a charming small town that boasts a rich history. The 13th century castle has been modified throughout the centuries and houses within its walls a 16th century town hall and a parish church. It's also a lovely place just to wander around to get a feel for what an imposing structure it must have been to the locals when it was first built.
