

Villa Mireya

Region: San Juan Sleeps: 10

Overview

You'll find Villa Mireya a few kilometres inland from Ibiza's northern coastline. Surrounded by countryside and hills, this luxury holiday home must be seen to be believed.

Set within a vast estate and enjoying total privacy, up to twelve guests can feel as far away from the rest of the world as they wish to be!

Of the six bedrooms, the four found in the main house are all en-suite, spacious and feature contemporary décor, direct terrace access and garden views. Slide open your glazed doors for early morning sunshine or star gazing before bed.

Two more bedrooms are located in a separate apartment, across the lawn. Also featuring fabulous en-suite bathrooms, designer interior and garden terraces, these rooms are ideal for guests wanting their own space. You're conveniently placed for Villa Mireya's state-of-the-art gym. No excuses with your exercise routine here, you can work off those cocktails and delicious dinners prepared by Chef!

Back inside the main villa, your lounge, dining and kitchen area is vast. Thanks to the floor to ceiling glass walls, it's wonderfully light and airy, boasting plenty of relaxed seating and bold, statement pieces of furniture and art. The dining space connects sociably to the super modern kitchen. One of the many delights of staying at Villa Mireya is that it's fully staffed. So, throughout your stay, Chef will see to providing lunch and dinner as required.

Outside is where most of the magic happens at Villa Mireya. Discover big open spaces, extensive lawned gardens and pretty, shaded terraces. A delightful, covered patio sits between the villa and the lawn. The reed canopy creates a delicately shaded seating area from where you can survey the impressive grounds and gardens of Villa Mireya.

Beyond the yard, lies a vast chill-out area with funky seating and room for everyone. It's shaded and very, very cool. Further, into the garden, you'll find your covered dining terrace and outdoor kitchen. With an impressive table and benches long enough for all twelve guests to share meals, this is where you'll enjoy leisurely lunches and divine dinners, al fresco.

At twenty metres long, your private pool is huge. With broad steps at one end, you can lower yourself into the cooling water and swim your way through the afternoon. All twelve of you will have more than enough space to splash, jump, play and escape the heat of the sun.

Surrounded by indulgent sun loungers and day beds, this is the ultimate sunbathing spot, or there are umbrellas and a beautiful tree creating welcome shade.

As if Villa Mireya isn't indulgent enough, her guests also have a cinema, five-a-side football pitch, ping pong table and Range Rover at their disposal.

For adventures beyond this fabulous holiday retreat, you can drive out of the countryside for a day at the beach, with Puerto de San Miguel and Benirras beach less than ten kilometres away, and you have a choice of restaurants equally close-by.

Location & Local Information

Nestled amidst rolling fields, pine-clad hills and gorgeous greenery, San Lorenzo is a small rural village, towards the centre of the island. Villa Mireya's location is tranquil, calming and beautiful - exactly what you're looking for. This side of Ibiza perhaps comes as a surprise to some, but the northern region offers idyllic escapism to those wise enough to look for it.

Villa Mireya's central location means that nothing is out of reach. About a ten-minute drive will bring you to the village of San Miguel. Larger than San Lorenzo but still small, this lovely little place bursts into life on Thursdays with a market from 4 pm until 8 pm. Selling locally produced goods, you'll also be entertained with traditional dancing in the main square.

From here, continue towards the coast for its sister port; Puerto de San Miguel. A wide, sandy beach is perfect for families and those seeking a quiet afternoon's sunbathing. Or, you can try your hand at water sports from the beach, including kayaking, windsurfing, snorkelling and diving. Dine on fresh seafood at one of the island's most highly acclaimed restaurants; Port Balansat or seek out tapas bars amongst the shops and houses.

To explore the entire island, there's an Aquabus tour which departs from Puerto de San Miguel at 11 am, Monday to Friday throughout the summer. It's an all-day excursion, finishing at San Antonio Bay, where you can either opt for the coach to return you to San Miguel, or stay on and experience the night-time vibe and legendary club scene.

Back at Villa Mireya, pick a terrace, choose a chill-out sofa and with a drink in hand, share memories of the day as the sun sets.
