Overview

Imagine a hideaway, nestled in the middle of rice paddies and a gently flowing river. Tall trees create a wall of privacy; the smell of tropical flowers and sea-water fills the air. This is what the Ari Residence is like!

This villa is an eight-bedroom retreat, offering seclusion, luxury and plenty of space for all the guests to relax and recuperate. There is various style, and sized rooms offering plenty of options for all guests to pick what best suits their needs. The One and Two-Bedroom villa options are both bright and airy villas, with a private entrance and each has their own, small, private pool. The Terrace and Garden Suites are both semi-detached villas, that overlook the residence's pool. All villas offer bathrooms, some even featuring stunning large tubs and large rain showers.

There is a restaurant on site, and the Two-Bedroom villa also offers a kitchenette on its lower floor. There is also a resident chef, ready to help whip up anything whenever you fancy.

The residence is fully staffed and offers an onsite manager as well as guest services and a daily housekeeping service. In other words, it has all the perks of a five-star hotel, with the luxury of peace and quiet that comes with your own, private holiday home.

It is the outside of this villa that really makes it stand out. The large, lush green garden offers plenty of space for a game of football on the lawn or simply an enclosed area for children to roam. The villa's pool, in addition to the one and two-bedroom villa's private pools, offers the perfect place to cool off, take a dip or swim from dusk till dawn should you like.

It's a garden oasis, with sun chairs lining the pool and outdoor dining offering the perfect spot for a late lunch or a cheeky cocktail and nibble on fresh, local fruits and delicacies.

Location & Local Information

We've all seen the iconic pictures of Bali, the stunning sunsets, unique terraced rice paddies and the one-of-a-kind temples. No surprise then, that Bali is one of the most popular tourist destinations and welcomes over five million tourists each year. It's also known as The Island of the Gods, with its spectacular landscapes, varying regions and rich culture.

Canggu is a popular tourist resort area in Bali, that has countless beach clubs set up for the striking sunsets and beaches that boast beautiful waters and long stretches of sand.

This villa is located in Pererenan, a village in the Canggu area. The Pererenan village is a smaller community that is peaceful and is representative of old Bali. It boasts ancient temples, countless rice-fields and locals that are more than happy to stop and chat and share stories. The villa is just 500 metres from Canggu Beach, 5 minutes from the iconic surf spot, Echo Beach, and 10 minutes from the iconic and stunning Canggu Club.

The restaurants, cafes, shops, beach clubs and spas of Canggu are all close and within a stone's throw of the villa are local cafes and restaurants – including all the hipster, health-focused hangouts Bali is renowned for.
