

Villa Krystal

Region: Akyaka & Dalyan Sleeps: 2 - 8

Overview

Four-bedroomed Villa Krystal is an ideal getaway for families, with a large pool and extensive gardens, set against the backdrop of a rugged mountain in Dalyan on the south-west coast of Turkey. From the outside, it looks like a traditional Mediterranean villa with terracotta tile roofs and whitewashed walls, yet within, it's filled with bright contemporary artwork and modern facilities.

Once listed as one of the sexiest villas, perhaps the main stand out feature of this luxury villa is its extensive grounds – 5,300 square metres in fact – elegantly surrounding the circular-shaped swimming pool and dotted with beautiful potted plants, trees and greenery. There are plenty of soft grassy spots for children to play and several cushioned chairs and loungers for picking your prime spot in the sun or relaxing in the cooling shade.

Inside, light abounds: from the large glass windows and doors to the natural-coloured furnishings, unique art pieces and statement features. There's air conditioning throughout, and the villa has been carefully and cleverly designed to catch the natural breeze to cool the house naturally. Simply open the windows at both ends of the villa, and you'll be amazed at how quickly it cools down.

All four bedrooms are equally seductive, stylish and serene with en-suite bathrooms and thoughtful home-from-home touches like mirrors and dressers. Off the master bedroom on the mezzanine floor is a balcony with a wooden table and chairs for enjoying the serene vistas. There's also an open plan lounge and fully-equipped kitchen on the ground floor, alongside a separate toilet. Relax after a day exploring on the inviting sofas or turn on the TV and DVD player for entertainment evenings in.

Outside, there's a shaded sun terrace with a seating area for dining al fresco, alongside an outside kitchen, shower room and toilet for your utmost convenience. If you'd like to explore the local area, Villa Krystal is about 3.4km from the centre of Dalyan (a short 10-minute drive). The ancient ruins of Caunos, and the river that takes you to the sandy Iztuzu beach. Dalyan's many restaurants serving local delicacies as well as international cuisine.
