

Villa Turunc

Region: Marmaris & The Bozburun Peninsula **Sleeps: 24**

Overview

With a large outdoor swimming pool, lush green garden surroundings and beautiful, modern furnishings, ten-bedroomed Villa Turunc provides the perfect holiday or celebration villa for families, friends and small companies. This extensive property can comfortably sleep up to 24 people and is in the picturesque seaside resort of Turunc, much quieter and friendlier than nearby Marmaris.

The villa doesn't compromise on space or style, with ten elegantly decorated and spaciouly sized double rooms all with en-suite bathrooms and showers and one inviting single room with a separate shower. On-site are all the necessities you may need for a home-from-home, self-catering, stay including a fully-equipped kitchen, kitted out with a cooker, fridge and microwave. Extra features include air-conditioning and Wi-Fi throughout.

The living room with a TV and DVD player is decked out in cool contemporary furnishings in natural hues, and there's a laundry room with a washing machine for your convenience. Stepping outside, you'll find the fantastic terrace with an al fresco dining table – an ideal place to watch the sun go down or to enjoy a drink under cover – alongside the inviting swimming pool and garden area dotted with local trees. Pick a book from the villa's selection and find your prime sunbathing spot on one of the loungers or chairs or on a soft, grassy spot under the shade of one of the tall trees.

If you'd like to go exploring, Villa Turunc is only 500 metres to the nearest sandy and Blue Flag beach with calm, crystal clear waters that are ideal for swimming. In Turunc itself – a short walk from the villa – there's a picturesque waterfront lined with local restaurants, bazaars and bars. Local Dolmus buses and water taxis go back and forth every hour to the more bustling resorts of Icmeler and Marmaris.

Location & Local Information

Turunc is a small resort about 7km from Icmeler and 15km from Marmaris. This picturesque seaside resort is popular due to its warm and welcoming atmosphere, stunning bay and friendly local bars, shops and restaurants. There's a Blue Flag beach (500 metres from the villa) with calm waters, nestled between forested hills and mountains. Turunc's local market every Monday is worth a visit, and there is a larger market in nearby Icmeler every Wednesday.

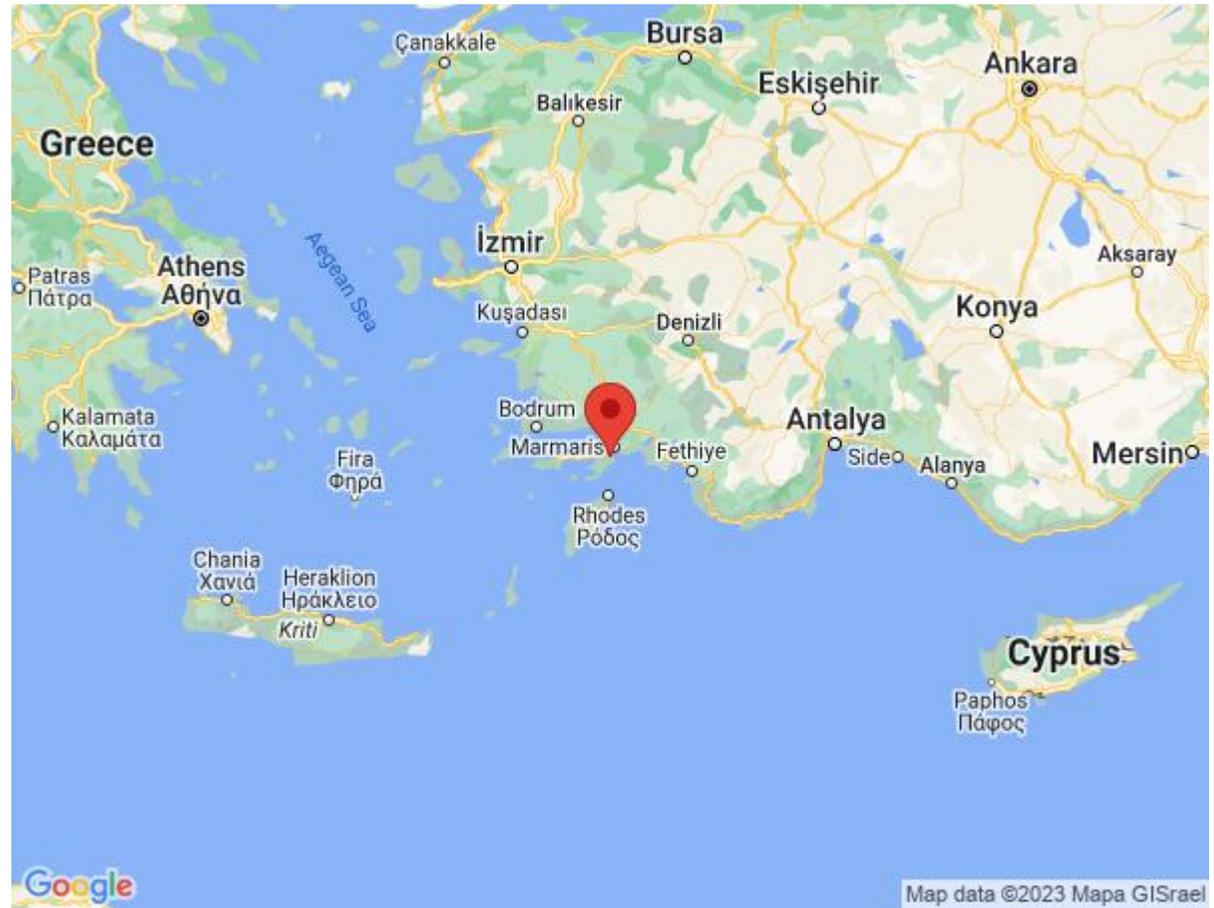

During the cooler low season can also spend a day in Turunc hiking, driving or biking around the area. There's pristine, untouched forests and mountains for as far as the eye can see, alongside traditional Turkish villages in the surrounds. Head to a Turkish tea house and then end your day relaxing at a Turkish bath. You can also head out on a boat trip for the day, snorkeling, and enjoying a hearty lunch onboard.

For exploring further, there are local Dolmus buses & water taxis that go back and forth from Turunc to both Icmeler and Marmaris, or you could hire a car to discover more of the serene surroundings of the Bozburun peninsula. Take a dip in the cooling waters and discover the peaceful bays of Kumlubuk and Amos and beautiful sites like the Amos ruins. In Icmeler, you can have fun in a water park, or haggle in the local market, with everything from bespoke rugs and clothes to homemade Turkish delight. In Marmaris, there's a pretty harbour, crowned by a castle and lined with colourful fishing yachts. There are more serene beaches lining the coast, alongside lively nightclubs and bars.

The Bozburun Peninsula has a Bee Museum, a Carpet Weavers Association as well as a host of pretty unspoilt coves & beaches. Enjoy the cool waters of Turgutkoy's waterfall, walk the sand spit in Orhaniye, stroll along the quay at Selimiye or enjoy the most fabulous fish lunch in Sogut. Alongside tourism you can see village houses and small holdings where time has literally stood still.

What we love

- Spaciously sized with ten bedrooms, this villa is ideal for large families or groups of friends.
- The villa is in a peaceful and secluded spot, yet you're only 500 metres to the nearest sandy beach and within walking distance of the shops, restaurants and facilities at Turunc village.
- The gardens are intermittently shaded with trees – and are perfect for relaxing on with your favourite book for children to enjoy a game of hide and seek.
- There is the option to book a Barbecue or Turkish Breakfast to be prepared for the whole party at the villa.

What you should know...

- There are other properties in the area, but the villa is surrounded by trees and is very private.
- The village is in walking distance, and the local Dolmus buses & water taxis goes back and forth every hour to Icmeler and Marmaris. It's worth hiring a car for a few days to explore the peninsula, or arranging a vehicle with a driver.
- Note that one twin and one single room do not have en-suite bathrooms and would therefore need to share the en-suite of a neighbouring room. More suited to children and parents.
