

Le Cedre

Region: Dordogne Sleeps: 10 - 12

Overview

In the calm Dordogne countryside, surrounded by vast and glorious gardens, is the delightful Le Cedre, the perfect family holiday home for up to 12 guests. In a secluded spot overlooking lawns and forests, it is hard to believe you are only fifteen minutes by car from the stunning city of Périgueux.

This country house is full of warmth and tradition, making it a homely and characterful place to stay where you can slow your pace down in the relaxing surroundings. Admire the wood floors, exposed beams and high ceilings as you sit around the large open fireplace in the living-dining room or head through to the cosy TV room to chill out with family and friends. The country kitchen is a wonderful spot for cooking up a feast using the very best local products from nearby markets and enjoy leisurely meals on the al-fresco terrace overlooking the woods.

Each of the five bedrooms, with their own bath or shower room, is styled unpretentiously with characterful features and pretty touches. The master bedroom is particularly impressive with its king size bed, spacious bathroom and wooden doors leading out to the wonderful decked balcony, perfect for enjoying your morning coffee and pastries. The *pigeonnier*, a separate cottage available in the high season, just across from the courtyard, includes a sweet little kitchen corner and living area as well as one of the bedrooms.

Outside the gardens are tremendous with expansive lawns, plenty of space to play football using the goals provided, a basket ball hoop, table-tennis and table-football on the terrace and some lovely spots to just soak up the relaxing environment. Wander down to the large swimming pool where there is plenty of space to laze after a long swim or cooling dip.

It's only a five minutes drive to the nearest village, where you can pick up your morning bread, grab a take away pizza or have a coffee in the local café. You'll find a wider range of restaurants, including many high-end names, in the small, sophisticated city of Périgueux, only 13km away. Famous for its black truffles and foie gras, as well as being a city full of art and history, don't miss the wonderful large outdoor markets on a Wednesday and Saturday.

Other magical trips out should include heading south-east to the exquisite town of Sarlat or simply exploring some of France's *Plus Beaux Villages* along the Dordogne such as Limeuil, La Roque Gageac, Beynac and Castelnaud-la-Chapelle, all within driving distance. Not forgetting the beautiful city of Bergerac to the south-west with its unmissable *Maisons de Vins*.

After a day exploring the highlights of the Dordogne, Le Cedre is the perfect abode to return to as you sit on your terrace sampling the local delicacies and fine wines you have brought back from your travels.
