

Casa Bordonero

Region: Sicily Sleeps: 6

Overview

Casa Bordonero is an exquisite three-bedroom townhouse at the heart of the historic town of Cefalù, perfect for those who are looking to swap the car for a pair of sandals and explore a little on foot.

A set of steps leads you from the pedestrianised street into the villa. Crossing the threshold, you are immediately greeted by the beautiful open-plan living area, with stylish marble flooring, traditional Sicilian artwork and ceramics and a bright, welcoming design – the perfect relaxed environment in which to kick back after a day of exploring.

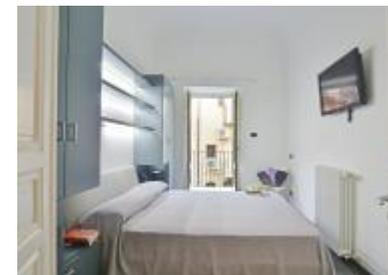

Through the living room, you will find a modern kitchen, equipped with everything required to prepare light snacks, hearty meals and everything in between! Alongside the kitchen there is a fabulous dining area, seating up to six guests, and, if you'd prefer to dine alfresco, the ornate table in the calm of your private courtyard is ideal for an evening of excellent food, local wine and good conversation!

Located on the same floor, all three elegant bedrooms are designed to the same high standard as the shared spaces, with tasteful décor and quality furniture.

Each has a sublime en-suite bathroom to ensure maximum comfort and privacy, and a balcony ideal for enjoying your morning coffee in the fresh air. On one side of the villa each balcony overlooks medieval street lined with restaurants and shops and below, and on the other hand, your private courtyard.

As well as the intricate dining table, the courtyard offers the ideal relaxation area after an action-packed day. And for the ultimate reinvigorating experience, a traditional hammam with plunge pool and a luxurious Turkish steam room are available for your exclusive use so that you can enjoy a real sense of calm and peace in the comfort of your own home.

The fabulous sandy beach of Cefalù town and the historic Cathedral are within minute's walk, while an eclectic and fascinating array of shops, bars and restaurants of the own town are right at your doorstep!
