Location & Local Information

Villa Naiyana is located on the tranquil Mae Nam beach, a five-kilometre stretch of palm-lined, pristine white sand famous for its glorious sunsets. The village of Mae Nam itself is ideal for those looking for a sense of calm – much quieter than its neighbouring areas of Chaweng and Lamai, which are a little more cosmopolitan, though great for a night out or a little retail therapy.

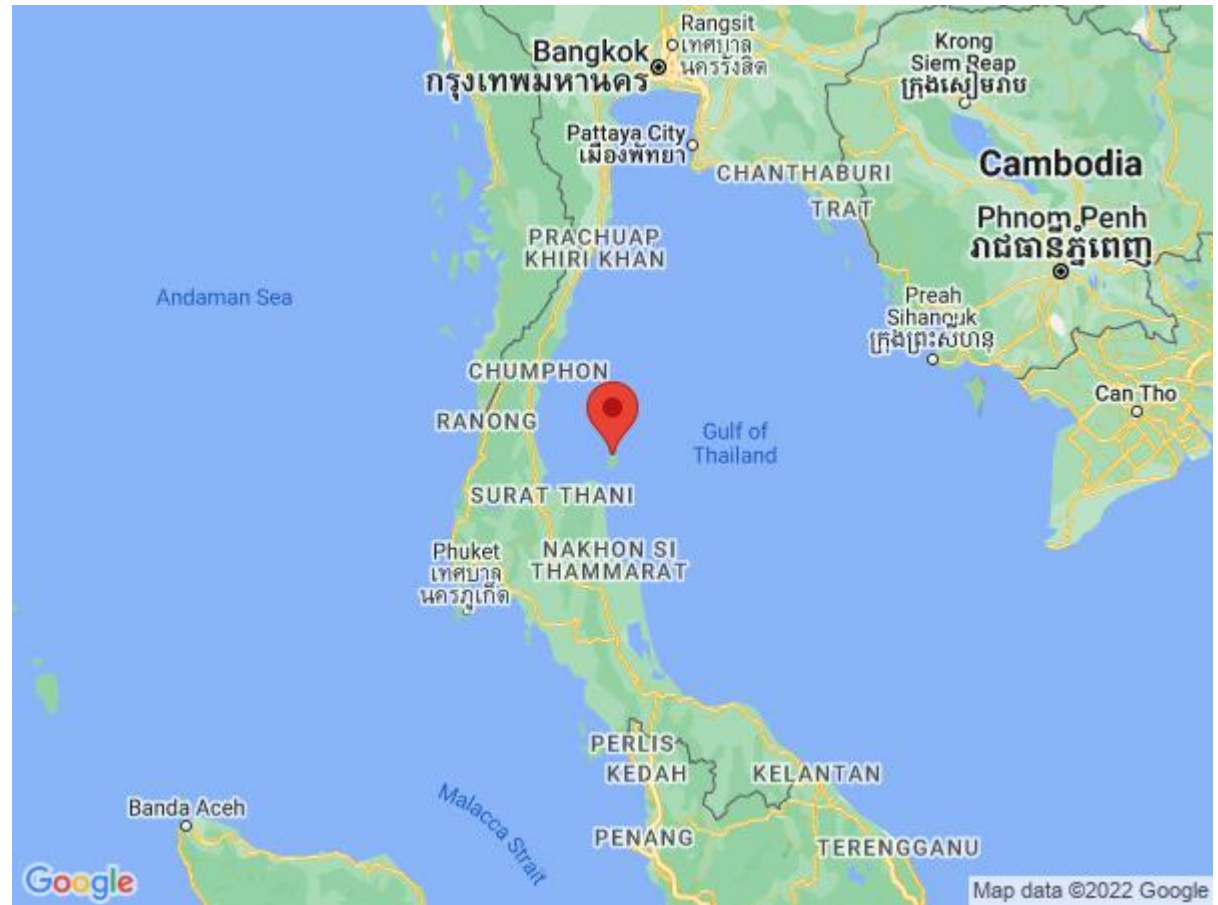

Mae Nam, by contrast, historically a fishing village, is somewhat more sleepy and offers a small array of local shops, restaurants, bars and spas. On the beach, you will find various offerings of water sports, which the crystal-clear waters are genuinely made for. Delicious Thai food (especially its famous fresh seafood!) and other cuisines can be found just a short walk along the beach, perfect for a lazy sunset stroll.

Mae Nam is on the island of Koh Samui, the third largest island in Thailand. Its size ensures a fabulous blend of comfort and convenience, and it is indeed the perfect size for a tranquil holiday: small enough to retain its charm and character, yet large enough to benefit from a range of high-class bars, restaurants, shops, recreational pursuits, spas, retreats and more – so you can enjoy the facilities of a much larger island without the crowds!

It's increasing popularity is making it even easier to access, so whether you're travelling from Bangkok, Hong Kong, Singapore or elsewhere nearby, you should find the journey a breeze.

What Oliver loves...

- It's hard to beat these sea views enjoyed from every part of the garden, dining room and lounge!
- Being so close to the beach, you'll find entertainment literally on your doorstep – be that a midnight dip, a morning stroll or a traditional family day of building sand castles and hunting down seashells!
- A beautiful fusion of traditional Thai and elegant Western designs makes for a truly stylish home
- All five charming bedrooms surround the pool, so you're just a step away from a refreshing dip or some morning lengths to get your day in paradise off to the best start (followed by your complete breakfast, of course!)

What you should know...

- The external wall will keep you mostly out of sight and ensure your privacy, but naturally, some sound will travel from the beach below
- Don't forget, Thailand only really has two seasons – wet and dry! Make sure you know what to expect!
- We can stock the villa in time for your arrival, and our in-house Chef can cater to your every desire, but please note that these services will come at an additional cost – breakfast, though, is free!
