

Menorca Castell

Region: Arenal Sleeps: 8

Overview

Menorca Castell is a striking bungalow style private villa drenched in sunlight, sleeping eight in the northeast of Menorca. Guests pulling up to stay will fall in love with its cool white walls and terracotta roof, as it offers a home away from home in the warm Spanish sun.

Turning to face the views, guests can enjoy an absolutely breath-taking view of the ocean and coast just beyond the villas' fencing. The cooling effects of a swim are even closer than that, right at your feet with the private pool for you alone to enjoy. If swimming isn't on the agenda, lay back and relax on one of the sun loungers dotted around the pool and enjoy the feel of sunlight warming your skin. For peak relaxation, doze off in the hammock that swings between two tall palm trees.

The home benefits from two more outside areas, the first being a cosy and cushioned outside seating area that is just perfect for reading a good book whilst overlooking the beautiful ocean. Enjoy your meals al fresco with Menorca Castell's outdoor dining area and, if you feel like it, try your hand at cooking a delicious fresh seafood dinner on the patio's built-in brick barbecue. Eat whilst watching the sunset across the coast and tuck into some local Spanish wine in the warmth of the residual heat.

Moving inside, you will first be greeted by the villa living and indoor dining area. The wide room benefits from a beautiful white, wood and citrus colour pattern and a dining table should you wish to enjoy your meals inside. The living area features two sofas perfect for lounging on in front of the included satellite TV and large French windows letting in natural light and a peek of the ocean.

Should you be a keen cook, the kitchen comes well equipped with a range of appliances, including a kettle, coffeemaker, and microwave.

Menorca Castell has four bedrooms that each provide feelings of tranquillity and relaxation, and each is decorated in its own unique way and lets in lots of natural light. There are two double bedrooms, one of which has an en-suite bathroom, and two bedrooms containing two single beds.

Both the en-suite and shared bathroom are light and airy, with windows to keep the rooms cool. Both contain showers and mirrors so that you can get

ready for each incredible day on the beautiful island of Menorca.
