

# Chalet Anneliese

Region: Alpe d'Huez Sleeps: 12

## Overview

Nestled in the most beautiful location, just a stone's throw from some of the world's best skiing and endless entertainment options, these chalets are a lucky find for any large group of friends or family.

Three-storeys of traditional comfort, style and elegance, with tasteful décor, high-quality furnishing and every bit of Savoyard charm you could dream of. A cosy fireplace, wood and stone interiors and soft tones of lilac and grey compliment the wood-panelling throughout the home. The dining area, designed in an open-plan style with the main living spaces, offers a perfect place to gather the whole group for some quality time.

An American-style kitchen is fully equipped with all modern amenities, including a stove, oven, microwave, dishwasher, fridge, plus all crockery and pans, giving you the option to prepare your meals for a cosy night in.

In this chalet type, all five bedrooms accommodate two people, with either one double or two single beds, and they all enjoy fabulous en-suite facilities. In each of the five bathrooms, you will find complimentary dressing gowns, slippers and toiletries for all guests!

There is also access to a terrace, from which you can admire the breath-taking views. You will also find private parking on site for those with access to a car, which we would generally recommend.

For when you fancy exploring a little further afield and indulging in some of the many entertainment and retail options nearby, the centre of Alpe d'Huez is about 1 km away, while the slopes and main lift is 500m walk away. Between these two well-developed areas there are numerous bars, restaurants and boutiques, as well as a swimming pool, leisure centre, ice rink and cinema. A free shuttle bus frequently runs to the resort centre and Berangere lift, keeping you easily connected.
