Region: Midlands Sleeps: 10 - 18

Overview

The Malvern Estate holds a uniquely special location, nestled within 140-acres of private countryside in wonderful Worcestershire. Guests will have the opportunity to enjoy complete privacy and tranquility within an Area of Outstanding Natural Beauty close to the foot of Malvern Hills, but still just two and a half hours from the hustle and bustle of London.

There is a selection of excellent pubs both within walking distance and a short drive, and Malvern Spa with its selection of supermarkets, restaurants and theatre is less than a fifteen-minute car journey away.

The Elizabethan hall house, oast houses and old stables have been lovingly modernised and today seamlessly blends its original charm and character with updated facilities and all the amenities a family or group of friends could possibly need for a more than comfortable stay. The estate house can comfortably accommodate up to eighteen guests across nine beautifully appointed bedrooms while there is the potential for two additional children to make use of extra beds.

Set around a central courtyard, the ground floor is home to inviting entertaining spaces which boasts comfy sofas and open fires and comprises of a reception hall, sitting room, dining room, drawing room, and farmhouse kitchen. Upstairs, on the first floor are Tally-ho and Rose, two super-king size bedrooms which share the use of a Jack and Jill bathroom complete with a gorgeous freestanding copper bath tub. This floor also has a family bathroom with bath and separate shower and another WC. Along the corridor to the oast houses are a further two bedrooms, one super-king 'upstairs downstairs' Kingfisher suite with en-suite bathroom and the Oast House king suite with a separate sitting room. The Oast House en-suite has a bath and separate shower. There is a further WC in this part of the house. Up on the second floor are Shangri-la, a beautiful super-king sized room complete with hand painted gold leaf chinoiserie mural, and Fresco with its bespoke magnolia flower fresco mural which can be set up as a twin or super-king room, making it ideal for friends or children sharing. On the second floor there are an additional two bathrooms for these bedrooms.

The remaining three bedrooms can be found in the adjoining Little Hall and include the Peacock Suite with its double fronted fire that links the bedroom and en-suite bathroom. Peacock has a four-poster super-king sized bed and a

huge bathroom with separate walk in shower and a bathtub situated in-front of the fire. A separate WC with hand painted birds and bamboo mural completes this suite. Spire has a super-king sized four-poster bed and an art deco bathroom with separate shower and roll top bath. Wisteria is a king room with a beautiful hand painted mural of wisteria flowers climbing up the walls, it also has double doors out onto its own private deck and an estate view. Completing this room is a large en-suite bathroom with pink marble walk in shower.

Outside guests will never tire of exploring the expansive grounds at the Malvern Estate, whether they choose to enjoy a woodland walk, row across one of the lakes or play a competitive game of tennis.

After a busy day spent exploring your own private idyl, the terrace is the perfect spot for the whole group to gather, cook up a storm on the barbecue and enjoy a meal al fresco admiring the un-spoilt valley view. An evening stroll in the gardens at sunset is the perfect time to watch the resident guinea fowl and peacocks return home to their roosting trees, and the wild ducks and mandarins nest up for the night on 'duck island'.
