Overview

Il Sensale can be described as nothing less than majestic! This imperial home nonetheless retains an original farmhouse feel; set within the sweetest and verdant, rural spot, it offers a secluded, stylish idyll overlooking rolling acres of Renaissance landscapes.

This elegant, independent home imbibes all the natural beauty of the region, along with original rustic charm: farmhouse style terracotta sloping tiled roofs, arches, pale olive coloured shutters, swaying poplar trees and views across olive groves and vineyards make this home every inch the tranquil yet tasteful haven it is.

The outdoors spaces are sumptuous; immaculately maintained lawns and gardens, offering an array of different levels, open lawns ideal for games and fun, or secluded nooks for romantic meals; wonderful poolside privacy by way of patio and lounging space, and at every turn, bright, fragrant flowering plants.

Set on its hilltop, the views are unparalleled, from every angle. Recently restored, to an impeccable standard, Il Sensale combines the rustic farmhouse theme with certain and unadulterated luxury, amid the undulating Tuscan hills surrounding this oasis of colour, style and charisma!

The full drive is scented with oak trees and lemon trees, sweeping up to this magnificent estate. The pool area is a rock-star-worthy affair; its glistening, pristine waters are framed by a sleek patio/ lounging space, with elegant day beds and parasols, with the finishing touch being the jacuzzi - the latter being an excellent evening temptation along with a glass of wine!

Il Sensale offers six bedrooms, and thus accommodates up to twelve guests across the main villa and guesthouse. This home is ideal for those seeking a real retreat from the bustle of the crowds and stresses of the modern world - the entire lower ground floor is set up as a self-contained spa! Worthy of the A-list crowd, space provides Turkish baths, sauna, jacuzzi and wet rooms - what better way to enable the stresses of life to drain away in this peerless Tuscan escape!

Dining al fresco is a stylish affair, with the beautiful veranda, soaking up the fragrant breezes, whether it be breakfast after a swim in the dappled shade, or an evening meal with abundant local wines and Tuscan produce as the sun

softens over the hills.

Every detail has been thoughtfully covered, for a truly glamorous stay: from billiards room to bar, from private television lounge to games room - guests will find it hard to venture out.

The interiors combine original, rustic farmhouse charm with sleek, contemporary fittings - the result being an understated luxury: a home full of character and style, where guests every comfort has been considered.

The living space is well proportioned, offering exposed timber beams, beautiful antique furnishings and lighting, along with luminous views of the surrounding countryside. The living room is comfortable yet cosy, while the dining space offers a stunning, light, monochrome room ideal for colourful and vibrant group meals.

Il Sensale is finished with its character and style; ended thoughtfully, with impeccable taste, sympathetic to the original building and architecture, yet offering every modern comfort, from wifi to coffee machine, to DVD television with satellite and dishwasher.
