

Sandy Estate

Region: Holetown Sleeps: 10

Overview

Sandy Estate is any nature lovers dream. Set in five acres of beautiful tropical land, the holiday villa is surrounded by indigenous plants, trees and shrubs. The villa consists of a two-bedroom main house and a cottage and self-contained pavilion that houses the remaining three bedrooms.

Hidden behind charming Mahogany trees, this countryside villa boasts wonderful views of the Caribbean Sea and Sandy Lane Golf Course. Whilst redesigning the home, designer Oliver Messel raised the height of the ceilings, added verandas and installed the large outdoor swimming pool that is beautifully lit up at night. In the villa's renovated main house, you will discover a lovely living and dining room, a generously-equipped kitchen and terraces.

If you're looking to have a serene holiday, Sandy Estate is the perfect holiday home. Immersed in nature, guests can take in the spectacular views whilst dining on one of the elegant verandas, one of which is decorated with a glistening chandelier. The enormous master bedroom has multiple access to the outside areas and is embellished with a chandelier hanging from the ceiling as well as in the brick-walled en-suite bathroom as lamps.

You won't be able to resist taking in the wonderful tropical climate while staying at Sandy Estate. The garden is enhanced by a lily pond, enchanting pathway, arched folly and views of the wider surrounding countryside.
