Location & Local Information

Villa Grand Bois is situated in the prestigious Fitts Village in the Parish of Saint James. Named after the owner of this western stretch of land, Benjamin Thomas Fitt, Fitts Village is predominantly a fishing village with numerous reefs. The neighbouring Paynes Bay Fishing Market is a popular place to purchase fresh fish from.

Only a 20-minute drive away from the villa, you will find the popular Pebbles Beach in Bridgetown, which is widely regarded as a tropical paradise. It is recommended that you visit this spectacular beach early in the morning so that you can see the horses bathing in the turquoise sea. The white sands will make you feel like you're walking on velvet.

Pebbles Beach is great for snorkeling with a plethora of exotic ocean creations ready to be discovered including turtles, sea anemones and starfish. The beach benefits from shallow, warm waters and big black rocks. This beach has plenty to offer depending on your requirements, from taking in the serene surroundings to learning how to scuba dive.

Earthworks Pottery is a 15-minute drive away from the villa. Earthworks is not only a shop selling some of the best souvenirs you can find on the island, but a working pottery. You'll be able to witness the pottery pieces being made and decorated first hand and have your pick at the shop afterwards. Most of the vibrant pottery seen here graces various hotels, restaurants and venues across the island.
