## What we love

- We love the inclusivity that the villa offers. No matter what type of holiday you're looking for, you're welcome to enjoy the grounds and make them your own for the duration of your stay. It's a unique opportunity to experience Croatian hospitality.
- The power jets located in the kids swimming pool delivers a powerful massage. Enjoy the sun with a cocktail whilst leaning back, feeling regenerated and keeping an eye on the kids,
- The villa itself is something special – built in the late 19th century and restored in 2012, your villa is a grade II listed building mixing tradition with convenience.
- The vastness of the grounds – you'll feel like you're in your own world.
- The beautiful, and private, swimming pool. Ideal for evenings of quaint luxury.

## What you should know...

- Although you could easily spend all your time at the villa, there's so much to see in the surrounding areas too. We'd recommend renting a car so that you can see more of Croatia.
- The neighbouring area of Groznjan houses many festivals. If you're looking for complete peace, be aware of what's on when so you can enjoy a quieter experience. That said, many flock to Groznjan for the festival alone, making it a must-see.
- The villa is kitted out for families, but you'll want to keep an eye on little ones. With such vast grounds and many pools, children should be supervised.
