

Villa Zlatica

Region: Omis **Sleeps: 6**

Overview

A grand villa on the hillside with an exquisite garden, Villa Zlatica is a masterpiece of modern design, entirely at one with nature and with a luxurious design.

The interiors are as modern and bright as the enchanting garden, with a massive set of French doors along the living room wall creating an open and inviting connection with the garden. There is a large L-shaped sofa in front of the TV.

The large modern kitchen has tons of space for the whole group to get involved with food preparations – with all the latest mod cons and a pleasing contemporary design. There is a large table for meal times, as well as a second dining table on the terrace. The kitchen leads directly onto the terrace!

There are three great bedrooms: the master suite features a king-size bed and underfloor heating, while there is one more king-size room and a final twin room. On the ground floor, there is the twin room, while the other two are on the first floor.

Original wooden beams in the ceiling and wood-effect flooring creates a typical Croatian ambience, with vibrant sea and sky colours permeating each room and complementing the sea-scape images on the walls. The accompanying bathrooms are designed in a wonderfully contemporary style and are equipped with everything you could wish for.

Out in the garden, there is a most magnificently atmospheric setup – with a parasol style covering over the enchanting alfresco dining area, right beside the majestic private pool! Trees and plants all around the garden bring the sense of the surrounding natural world within your private grounds.

At the far end of the pool are several sun-loungers, ensuring guests can soak up the sunshine in the comfort of their own private space. There's an excellent chill-out zone next to this, the ideal place for spending a few hours relaxing, chatting and enjoying a drink or two.

Just 1km away from the dazzling beach in Pisak, you'll find fun and adventure just a stone's throw away. The local area is abounding with unspoilt nature, beautiful forests and impressive coastlines, of both the mainland and some of

the 3000+ islands of the archipelago!

The village of Pisak is a calm haven along this picturesque coastline, while you're only 30 minutes from the magical town of Makarska and under an hour from Split, with its famous Diocletian's Palace, the fortress-like complex at its centre, built in the 4th century!
