

Villa Cetina

Region: Omis Sleeps: 8

Overview

Surrounded by tree-dotted hills and unspoilt countryside in the quiet village of Kušini, Villa Cetina is a luxurious holiday home with stunning views and fantastic facilities.

The interior of Villa Cetina is stylishly decorated and furnished, with spacious rooms that are flooded with light from numerous windows and patio doors. These help to bring the outside in, as do the terraces and balconies found across the villa.

The main living area is a beautiful open-plan space located on the ground floor. The friendly lounge features two large sofas and a wall-mounted flat screen television, making it the ideal place to enjoy a pre-dinner drink. Meals are served at the contemporary wood dining table that seats up to 10 people.

Adjacent to this is the fully-fitted kitchen that comes equipped with every amenity you could need. There's also direct access to the outside space via patio doors. Also on this floor is your very own sauna with shower and toilet. A home-gym is also on offer, with training machines and weights, as well as loungers for taking a break between workouts.

On the first floor are four ensuite bedrooms, all with balconies that offer stunning views. Three bedrooms feature a double bed each, with one also having a sofa bed for accommodating one additional guest. The fourth bedroom has two single beds that can be connected, as well as a sofa bed.

Outside is a partially-covered terrace that's home to a dining table for enjoying al fresco meals and a summer kitchen with indoor dining. There's also a barbecue, a private, heated swimming pool with whirlpool for up to six people, an outdoor shower and a selection of sun loungers. To the side of the villa is a fantastic children's play area.

The lower-ground floor level is where you'll find the garage with space for two cars. In front of the garage is a private parking space for another two cars.

Location & Local Information

Due to its peaceful, rural setting, Villa Cetina is a tranquil holiday escape. The village of Ku?i?i is small but does have a handful of amenities. These include a supermarket and a couple of restaurants within a 10-minute drive. A greater choice of facilities can be found in several towns along the coast.

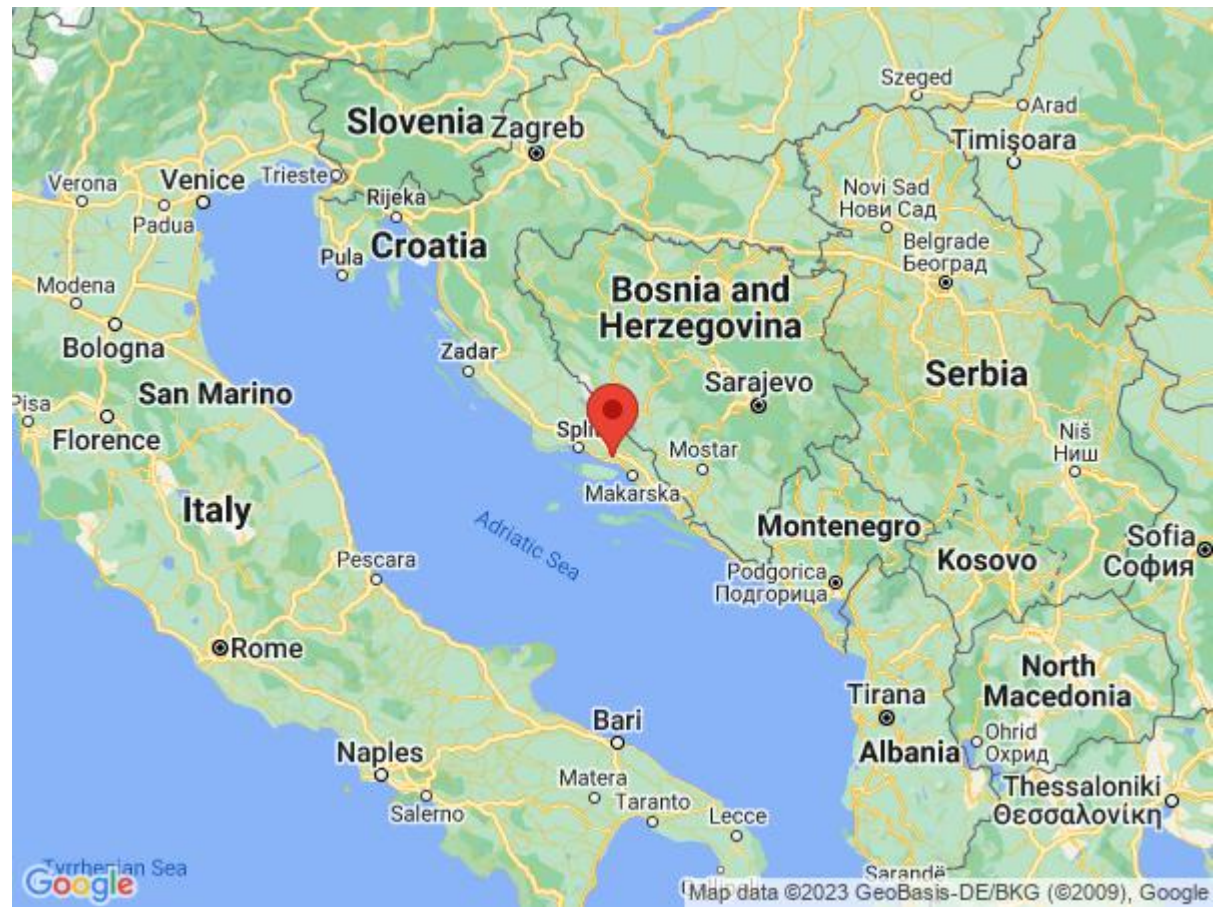

Coastal villages such as Maruši?i and Mimice are charming places to both stock up on groceries and enjoy days out. Both are just under a 30-minute drive away from the villa and have lovely beaches to relax on.

Mimice has a pebbly stretch lapped by shallow waters, which is typical of beaches along this coast. There's also a promenade full of restaurants and cafés. Maruši?i offers very similar features and facilities, giving you plenty of coastal spots to choose from!

The port town of Omiš is 25 minutes away by car and is where you find a slightly livelier atmosphere. Known for being home to pirates in the 13th and 14th centuries, the town is now perfectly safe from pirate attacks!

Which is great, because there's a lot to see and do in historical Omiš. A must-visit area is an old town with its ancient churches and the beautiful St Michael's Square. Also be sure to climb up the hill to 13th-century Mirabella Fortress for some stunning sea and town views.

Around 40-minute drive south is Makarska, another historic port town. Its long promenade is lined with restaurants and bars, which mainly comes alive during the evenings.
