

Villa Adilah

Region: Marrakech Sleeps: 16

Overview

Nestled in the foothills of the breath-taking Atlas Mountains, Villa Adilah is a luxurious home-from-home complete with a heated pool, private tennis court and more, for up to 16 lucky guests!

On your arrival, our housekeeper will ensure all business is in order, giving you the chance to unwind and put your feet up simply; you're on holiday, after all! Your very own personal chef will prepare your meals, and the shopping will be done at the local markets and supermarkets.

The entire villa is set across one spacious, air-conditioned floor in a traditional Moorish style, creating an open and interconnected ambience. From every part, you can admire breath-taking panoramic views.

The living room has lots of comfortable spots to enjoy a moment of peace, while the dining room is fantastically formal and elaborate, creating a unique space in which to enjoy meals together!

In the main building, you will find four double/twin bedrooms and a fifth room connected to one of the double bedrooms with a set of bunk beds, ideal for two children. All four rooms extend from the enchanting central courtyard.

Each of the rooms is warmly lit through the many windows and filled with vibrant red and browns and is equipped with a unique Moroccan-style ensuite bathroom, with a delightful shower.

Furthermore, there are three separate units in the garden, each with one bedroom and a private bathroom, offering up to six guests that little extra space and privacy! All of the bathrooms are uniquely styled to reflect the warm colours of the natural landscape beyond, with forest greens and sea blues throughout.

In the mesmerisingly beautiful garden, you can enjoy a dip in your vast, heated swimming pool, complete with a pool house with a bar and BBQ, and even your private tennis court! If you're after a little more fun and games, try your hand at the famous boules-like game of péntaque, or test your reflexes on the ping pong table!

For the ultimate relaxation and indulgence, there's a private hammam with a

massage room, and we will be more than happy to arrange for a masseur to visit the villa! We also have available four sets of golf clubs that you can use on the unbeatable local golf courses literally on your doorstep, including some of the best in the country!

What was once a stop-off for hippies and hedonists has emerged through centuries of global visitors to become an unmissable capital of African tourism, with an alluring mix of North African culture and modern delights. Get lost in the maze-like Medina, splash-out in the souks, indulge in the extraordinary cuisine in any of the hundreds of food stalls and be sure to chat with the friendly locals!

Location & Local Information

Villa Adilah is 21km from the fascinating, sensory-overloading city of Marrakesh, otherwise known as the 'Red City', abound with mosques, palaces and gardens and each as magnificent as the last!

In 1985, Marrakesh's medina, the densely packed, walled medieval city at the heart of the modern city, was declared a UNESCO World Heritage Site!

Indeed, the saying goes that, back in the 1930s, Winston Churchill described Marrakesh as 'the last paradise on Earth'! And we can see why!

Lose yourself in the maze of vendors, food stalls and entertainers – with snake charmers, acrobats and fortune-tellers all showing off their talents and charms!

And for the tamer holiday-maker, worry not – the chaos is interspersed with luxury spas, coffee shops, and high-end restaurants if you want a moment of calm in this crazy city! Do as the locals do and unwind at a hammam – it's how they've coped for hundreds of years.

And if ever you decide it's a little too hot in the city, you need only venture a few miles out to the colder heights of the mountains! Northern Africa's highest peak, Mount Toubkal, is just a short distance away, enveloped in miles and miles of stunning peaks.

As well as the mountains, just a stone's throw from the villa you will find some of the best golf courses in Marrakesh, including the Amelkis Championship Golf course and the Marrakesh Royal Golf Club!

From your base in this fabulous villa, you can take many unforgettable day trips, and not only to the city! Morocco itself is a fascinating country with many beautiful places to visit – and with the breath-taking Atlas Mountains inland, and both an Atlantic Ocean and the Mediterranean Sea coast, you're guaranteed some incredible scenery wherever you decide to venture!

And with a mesmerising mix of Berber, Arabian and European cultural influences, the country is as diverse as it is beautiful.

Under thirty minutes from the bustling city, this villa is a fantastic option for those who wish to enjoy the excitement of city life, yet want to soak up the tranquillity of the countryside too. The exquisite Samanah Country Club is just a 30-minute stroll away, perfect for a morning wander to start the day the right way!
