

Villa Cisne

Region: Marbella Sleeps: 10

Overview

Breathtaking sea views across the beach just a gentle stroll away, Villa Cisne offers guests luxurious accommodation in one of the most exclusive areas of the Costa del Sol!

This beautiful villa is a paradise for beach-lovers! The grounds are almost tropical, with huge exotic trees lining the perimeter, providing a real sense of luxury and privacy as you lounge by the pool and enjoy the tranquillity of the area.

Within, you'll find air-conditioning and WiFi, keeping you cool, calm and connected to friends and family around the world. The interiors are sleek, with a monochrome theme oozing through the entire villa, each vast space as sophisticated and energising as the next!

The enormous living room has two super comfortable seating areas, one at either side, for everyone to find their perfect chill-out spot – whether in front of the large TV or just by the fire with a good book.

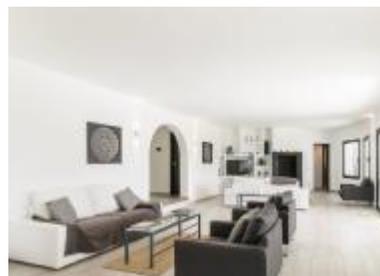

Majestic French doors lead into the vibrant garden beyond, directly connecting you with the energy of the Costa del Sol environment! The kitchen is equally spacious and stylish, with plenty of room for plenty of chefs, and all the latest mod cons.

Each of the four sublime bedrooms offers something a little unique, while each is equally beautiful. Vast beds stretch across the room, with natural light flooding across each from the immense windows.

There are two doubles and two twins, ideal for a family or group of friends! Each of the three accompanying bathrooms is luxurious, with huge walk-in showers, rainfall showerheads and an almost oriental style.

Out in your amazing garden, you can enjoy sunbathing by your very own private pool between refreshing dips in the cold depths of the water. With alfresco dining, a pool-bar and a barbeque, you might find you're spending a lot of time out on the large lawn, beautiful veranda and incredible pool-terrace.

Just a 20-minute walk separates you from idyllic sandy beaches and all the high-end bars and restaurants of the locality, while Puerto Banus and Marbella

are just minutes away.

Location & Local Information

The sublime natural landscape that envelopes you as you lounge by the pool or gazes out of the vast windows creates the impression that you're utterly detached from the real world.

Villa Cisne has located just a short drive from Puerto Banus, brimming with luxury brand boutiques, markets, restaurants, clubs and bars and of course a beautiful harbour. Marbella Country Club and Golf, Santa Maria Golf club and Santa Clara golf club are all under five minutes' drive away, and there's a free tennis court just five minutes' walk away!

Meanwhile, nearby Marbella is a little bigger and busier, with a traditional and beautiful old town, and holds many Michelin starred restaurants and world-renowned beaches where one can soak up the sun and enjoy a cocktail at a beachfront bar! It has a vibrant history, visible in the many ruins throughout the winding cobbled streets of its Old Town.

Malaga, the largest city on the Costa del Sol, is also nearby, and is historically and culturally incredibly rich, putting even more activities and amenities at your fingertips. As the birthplace of Pablo Picasso, the city is, of course, brimming with museums and art galleries, set among a beautiful cityscape of castles, cathedrals and theatres.

The Costa del Sol itself is mainly peaceful and quiet, as although there is a large amount of tourism, mostly for the fantastic beaches and warm climate (the average water temperature year-round is 18°C!), visitors tend to stick to the highly developed and bustling south-western part, leaving the stunning mountains inland largely untouched and peaceful year-round.

The region of Andalucía is culturally diverse and has a perfectly varied landscape, where picturesque beaches, ancient cities and deserts meet the incredible Sierra Nevada mountain range, which includes both the most southerly ski resort in Europe and the highest point of continental Europe!
