The vast, south-facing living room enjoys sunshine all day long, filling the room with a beautiful, warm glow. All five rooms are accompanied by a wondrous ensuite bathroom, equipped with deluxe baths or showers. Two of the rooms also feature sofas which can alternatively be converted into sofa beds, ideal for families travelling with young children!

The enchanting garden is an exotic masterpiece which offers the discerning traveller just about everything they could wish for – be that a little practice on the putting green, an intense game of ping pong on the table tennis set or merely a calm snooze in the hammock, you can enjoy it all in your luxurious private space.

And, of course, let's not forget that fantastic private swimming pool which sits majestically at the far end of the garden, surrounded by incredible hang-out spots, alfresco dining areas and plenty of loungers for a little sunbathing.

Beautifully tucked away in the foothills of the distant mountains, you're guaranteed total peace and tranquillity throughout your stay – and yet, just a 15-minute walk away is a fantastic beach and within just a short drive you have access to some of the most famous and beautiful beaches of the Costa del Sol – including San Pedro, only 5 minutes away!

Location & Local Information

The sublime natural landscape that envelopes you as you lounge by the pool or gazes out of the vast windows creates the impression that you're utterly detached from the real world. Besitos Villa has located just a short drive from Puerto Banus, brimming with luxury brand boutiques, markets, restaurants, clubs and bars and of course a beautiful harbour.

Meanwhile, nearby Marbella is a little bigger and busier, with a traditional and beautiful old town, and holds many Michelin starred restaurants and world-renowned beaches where one can soak up the sun and enjoy a cocktail at a beachfront bar! It has a vibrant history, visible in the many ruins throughout the winding cobbled streets of its Old Town.

Malaga, the largest city on the Costa del Sol, is also nearby, and is historically and culturally incredibly rich, putting even more activities and amenities at your fingertips. As the birthplace of Pablo Picasso, the city is, of course, brimming with museums and art galleries, set among a beautiful cityscape of castles, cathedrals and theatres.

The Costa del Sol itself is mostly peaceful and quiet, as although there is a large amount of tourism, mainly for the fantastic beaches and warm climate (the average water temperature year-round is 18°C!), visitors tend to stick to the highly developed and bustling south-western part, leaving the stunning mountains inland largely untouched and peaceful year-round.

The region of Andalucía is culturally diverse and has a perfectly varied landscape, where picturesque beaches, ancient cities and deserts meet the incredible Sierra Nevada mountain range, which includes both the most southerly ski resort in Europe and the highest point of continental Europe!
