Location & Local Information

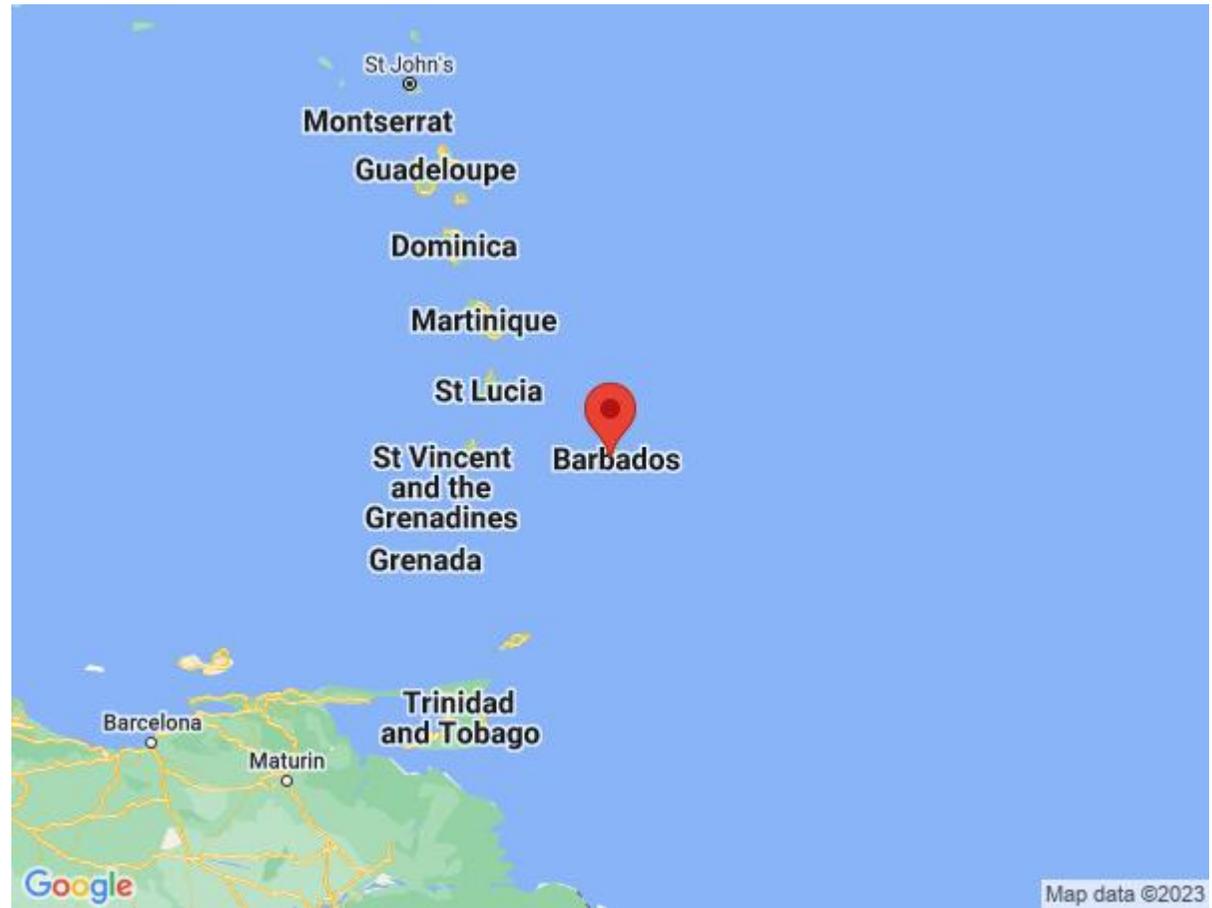

Mount Gay Visitors' Centre in Bridgetown is a great place to see (and taste) some of the island's history. Here, you will be taken in the world of Bajan rum and discover distillation, ageing and blending processes that have gone into perfecting the world's oldest rum.

Visitors will be welcomed to the site in the beautiful gardens and then invited to learn about the history of rum production through a talk and short film. The best part of the tour is, of course, the tasting, and you'll be treated to a range of rums and rum-based cocktails. At the end of the tour, there will be the option to purchase souvenir items and drinks. Mount Gay Visitors' Centre is a half an hour drive from Bajan Dreams.

Harrison's Cave is a wonderfully enchanting adventure only a 20-minute drive away from the home. Harrison's is a huge underground cave stream system, containing beautiful caverns and crystallized formations situated in the central uplands of Barbados. There are a variety of tours you can take to explore this glorious natural beauty. A tram tour will take you along streams where you can witness stunning waterfalls up close. The Eco-Adventure tour will get you on your feet walking through the gully and admiring the surrounding mesmerising scenery. The adventure will also take you on a traverse where you can observe the caves and the nature that encircles them. Everywhere you look presents a photo opportunity so be sure to take a camera with you.
