There are four bedrooms in total, including three doubles and a twin room. Kick back in a sun-lounger by the pool or sip a cocktail on the balcony as you admire these spectacular views of the Minho countryside, with its beautiful Romanesque churches and historic buildings across the horizon! There's a little play area on the lawn that the kids will love, and tons of little nooks and crannies for them to explore!

Location & Local Information

-Nestled in the fabulous rural landscape of Minho, and between so many interesting towns and natural spaces, Villa Cleonice is in the ideal spot to explore the fascinating history and sublime landscape of the region.

Ponte de Lima, one of Portugal's oldest and most historic towns with a delightful range of shops, bars and restaurants among the ornate squares and cobbled alleyways, and a massive market on the river bank every other Monday, is 14km away.

The country's only National Park, the high nature reserve of Peneda Gerês National Park is just a 40-minute drive away and hosts prehistoric remains, walking trails and rugged hills as well as deer, wolves and golden eagles!

The delightful market town of Barcelos is just half an hour away, while the beautiful historic centre of Viana do Castelo is even closer, where there are even sandy beaches! The thriving town of Braga, the capital of the district, is about 37km away and hosts many relics of the region's diverse history. With so much on your doorstep, you can visit a new historic and beautiful town every day!

Minho is a fantastic, mostly rural region on the northernmost Atlantic tip of Portugal, bordering the Spanish region of Galiza, with which it shares many attributes. Minho is perhaps most famous as the home of the Vinho Verde, a crisp, dry white wine (although as the name suggests, it is, in fact, green!) best enjoyed with a local fish dish.

Portugal itself is a small, fascinating country at the most Western point of mainland Europe. With a vast coastline with the mighty Atlantic Ocean, Portugal is a real paradise for the keen surfer, or indeed even those looking to try it for the first time. And for those less keen on surfing, the beaches of Portugal are still well worth a visit for their beautifully clear waters and beautiful sands.
