Region: Ibiza Town Sleeps: 4

Overview

Casa Angelins is a desirable holiday home located in the rich Ibizan countryside. Surrounded by gorgeous greenery, staying at the home will leave you revitalised and reconnected with nature. Guests will also be able to appreciate views over the epic Mediterranean Sea and the attractive little town of Dalt Vila which is known as Ibiza's Old Town.

Bright pink flowers beautifully decorate the garden as well as a plethora of picturesque exotic trees. These, along with the phenomenal sea vistas will provide the backdrop to breakfasts, lunches and dinners enjoyed out on the dining table placed poolside. Sun loungers make days spent having a splash in the pool easy and provide the perfect way to soak up some Mediterranean sunshine.

Outside, lies a charming pebble garden with vibrant pink bougainvillea providing a striking centrepiece beside a small table and deck chair. It'll be wonderful retreating here in the mornings and admiring the natural beauty while drinking a cup of coffee.

In the living area, sliding doors lead poolside while adding a luminous natural light. The home's white walls, furnishings and floors add an element of opulence. This is complemented by a cosy fireplace and flat screen on the wall which invites guests to spend a night in with good company. Beside the living area lies a small dining area, so guests have the option of dining inside or out on a table that seats up to six guests.

Casa Angelins is situated nearby Marina Botafoch, a high-end marina that's become a hotspot for rich and famous cruisers. The marina is also home to a choice of lavish bars and restaurants.
