Region: San Antonio **Sleeps: 10**

Overview

Visit the tranquil Villa Malta if you desire complete peace and privacy without sacrificing the convenience of being near to the city centre.

A long stone driveway dotted with plants and flowers at either side leads up to this brilliantly designed contemporary home. Outside, a sizeable private pool and soft pink sun loungers make for endless blissful days in the Ibiza sunshine.

A statue of the Buddha representing peace and serenity is placed poolside to give off calming positive energy. Straw huts dotted across the garden provide shade from the sun and will make you feel as if you've escaped to an unknown exotic location. Guests will also discover a charming mini lounge under one of the straw huts. Here, you can sleep off meals enjoyed on the shaded veranda's dining area for eight.

Inside, smooth floors accentuate the masses of space that the home provides. A distinctive and artistic plant arrangement lies behind glass doors in the hallway, providing unique decoration. Villa Malta definitely boasts artistic flair - modern and contemporary artworks adorn the walls inside and a range of unique art pieces are placed around the home.

The home's open plan design merges the two floors so that you can see the downstairs living area from the first floor. The kitchen is ultra-modern with many contemporary appliances. You'll find everything from a Nespresso coffee machine to a juicer where you can prepare fresh fruit-infused beverages.

All five bedrooms emulate an exclusive spa or a meditative yoga retreat.

Location & Local Information

The famed rocky bay of Punta Galera lies only a 15-minute drive away from Villa Malta. The bay is popular with divers jumping into the inviting sparkling waters.

Punta Galera's unique rock formations look breathtaking against the bright blue sky and gorgeous sea. The area also makes a wonderful snorkelling spot where you can discover a vibrant array of marine life.

Popular with both local residents and tourists, the rocks provide a special way to enjoy Ibiza in a calm and tranquil setting. Due to being in such a serene environment, Punta Galera is also a favourite for early morning yoga enthusiasts, those who wish to meditate and even nudists.

Refreshments including beer can be bought from a naked hippy who is usually waiting for passers-by. As the bay has very little shade, it's best to avoid visiting during midday in the summer, as it'll be far too hot.

Horse riding amongst the hills is a fantastic way to discover the island. You'll feel completely free and at one with nature at Ibiza Horse Valley which organises both half and full day rides. A half day ride will take you through the magnificent mountains of North Ibiza and a full day will end with swimming with the horses.

Ibiza Horse Valley is special for the fact that the horses who call it home have been rescued from poor living environments and rehabilitated into a gorgeous natural world. Upon entering the valley, visitors will be greeted by a fun and friendly guides who care for the horses. The guides will tell each horses' story and match you to the one they believe to be the most suitable.

Ibiza Horse Valley is a 30-minute drive from Villa Malta.
