Region: Chania Sleeps: 6

## Overview

From the moment you arrive at Villa Fire, the lines between indoor and outdoor are blurred, seemingly blending into each other with the interiors elegantly opening to the terraces and the breath-taking surroundings drifting in through every window, with rays of light enlivening each corner of the villa. With views to the hills and mountains of Apokoronas, extending to the glistening sea of Souda Bay, Villa Fire is a brilliant reflection of the diverse scenery that surrounds it.

After entering the front door, the villa opens out into an open-plan kitchen and dining area, with a lounge just two steps down, separated by an elegant glass balustrade. The sunken effect of the living room paired with an atmospheric fireplace creates a warmth to the space, perfect for cosy evenings in, or when you need a break from the outdoor heat. The kitchen itself is fully-equipped, with room for several guests to cook and dine together, maybe even getting kids involved! The furnishings throughout are modern and stylish, with a bright and airy atmosphere, creating a luxurious feel to each corner of the villa.

Downstairs there is an en-suite double room with access to a private terrace. The bedrooms adopt the same elegant styles as the rest of the house, with touches of colour and soft fabrics creating a more relaxed atmosphere. Upstairs a twin and a double room both benefit from en-suites and access to private balconies, with stunning views. Guests can awake in the comfort of fresh sheets and luxurious bedding whilst gazing out to the horizon and truly enjoying their spectacular surroundings.

Whether you are upstairs on a balcony, down on the terrace or swimming in the private heated pool, there is no end to the luxury of this villa. A stylish dining area sits under a partial cover, so you and your guests can enjoy private al-fresco meals each evening, cooking up a storm on the barbecue whilst the sun sets on the horizon.
