

Villa Nattapong

Region: Banyan Tree Samui **Sleeps: 2 - 3**

Overview

Villa Nattapong offers a little slice of flawless style and tropical tranquillity, perched high up above the sparkling waters of the Gulf of Thailand nestled among the tall, elegant palms.

Executed with striking simplicity, this chic and crisp home offers a sumptuous blend of Eastern 'zen' and Western sophistication, with a hint of Art Deco styling internally, and a natural interplay between indoor and outdoor living.

Simply composed of a central sleeping area, and a living space and dining space either side of it, the entire home's façade embraces the far-reaching views. With floor-to-ceiling glass, guests can literally slip from the airy, graceful bedroom straight into the cooling infinity pool.

The interiors at Villa Nattapong offer high ceilings, dark timbers, creamy fabrics and an air of sleek, sultry style. Ideal for those who wish to escape the crowds and imbibe the natural setting; there is a sedate writer's desk and top-range cotton bed linen, no detail is left underthought.

The dazzling outdoors offers an uber-contemporary style space with glass balustrades, timber decking, the glistening pool and indulgent day beds for reclining at the end of a busy day. Imagine sitting back with a cocktail in hand as the sun softens over the bay!

The exterior is executed with a nod to traditional Thai architecture, layered roofs and timber frames, while the interiors offer every contemporary comfort, including 49" flat screen television with CD and DVD player.

Three guests can be accommodated in this decadent home, and enjoy the best of both worlds: tropical seclusion and privacy along with access to wider resort amenities for a little pampering and the convenience of delectable restaurant meals.

Villa Nattapong offers a stylish, luxurious abode set just a few moments from the coast, providing a haven of serenity and quintessential Thai elegance as well as a one-ness with nature that will leave guests truly rejuvenated.

Location & Local Information

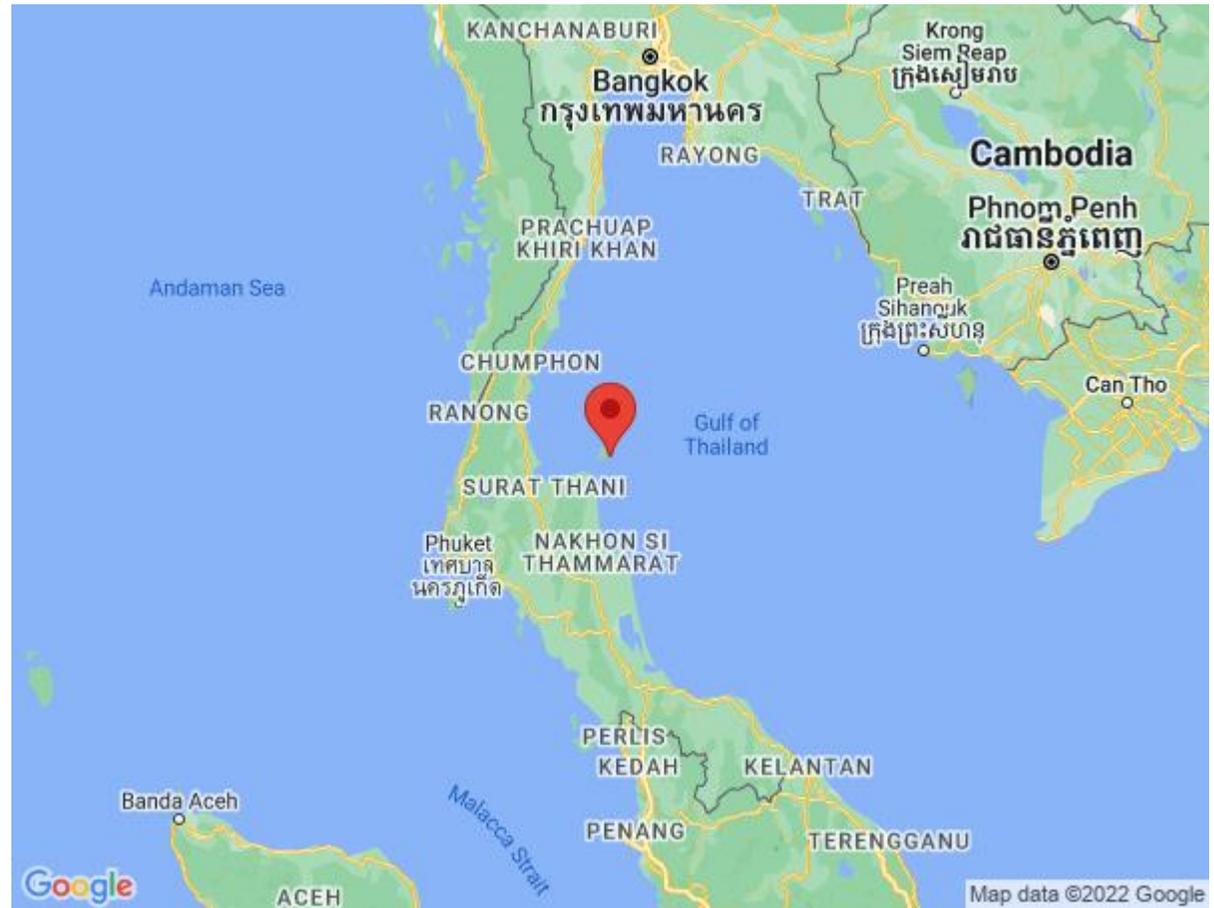

Despite its resort overhaul, the former modest fishing village of Koh Samui retains a laid back air of 'beachy' Thai ease, offering azure sparkling waters and pristine sugar-white beaches. Thailand's third biggest island is set on the Gulf of Thailand, about 35 km north of Surat Thani Town.

With an abundance of natural beauty, when guests have tired of pampering within the resort, the outdoors beckons alluringly. Whether it be renting a scooter to explore the beaches that this region is famous for, or exploring the unspoilt islands of Ang Thong National Park or the Fishermen's Village night market in Bo Phut, this island will offer an intriguing blend of tourist hotspots and local life.

For adventurers, a scooter or motorbike may be preferable to a car - traffic can be heavy. Stopping by for some coconut water and exploring the waterfalls of Tan Rua Waterfall or Hin Lat Waterfall and finishing up with a visit to an elegant park will be a fabulous day out.

A visit to the 12 meter seated Buddha statue at the Wat Phra Yai Ko Fan Temple will offer an intriguing insight into the local religious culture; a beautiful setting with wonderful views, whilst the immense statue perches at the top of the temple. An early morning visit would entail the offering of incense and morning chanting.

Chaweng offers buzzing nightlife - Koh Samui's busiest and biggest town has sprung up around one of the island's best beaches. From cocktail bars to world-class restaurants, the famous Green Mango strip is 3 kilometres long, offering eclectic, colourful local life in abundance.
