

Villa Nakharin

Region: Banyan Tree Samui **Sleeps: 4 - 5**

Overview

Villa Nakharin is an elegant home, standing regally on sedate 'stilts' perched among the tropical jungle like a sleek, impeccably styled treehouse. Offering a graciously sedate aura of jungle 'zen,' fusing Eastern style architecture with Western sophisticated, this abode offers true rejuvenation for a family or group.

Set across two separate pavilions, the main house provides the communal spaces, generously-proportioned with airy ease, while the second pavilion offers a second bedroom and bathroom.

With quintessentially Thai layered roofs, use of natural timbers and the natural interplay between indoor and outdoor living, this home imbibes much of its local surroundings, with a nod to the traditional Thai principles of home layout, along with the centrality of water. Floor-to-ceiling glass enables an abundance of natural light, wandering out to the chic decking area framed by the sleek infinity pool and slipping into the jacuzzi at the end of a busy day will be about as good as it gets.

With a sumptuous terrace, finessed with slick glass balustrades and indulgent loungers, guests can enjoy a personal host service, to cater to their every whim, for a true taste of pampering. Villa Nakharin offers the best of both worlds, with the independence of a secluded home along with the comforts and convenience of a wider resort (including kids club, restaurants and spa).

Five guests can be accommodated at Villa Nakharin, with one king sized bed in the master bedroom and a second bedroom offering twin beds, providing a lusciously cooling and serene environment to escape the crowds and enjoy sparkling ocean views.

The interiors at Villa Nakharin are brimming with stylish Thai elegance and timeless verve; the bedrooms are finessed with high ceilings, stunning private balcony space and hotel-grade linen - both have televisions and every little detail has been covered, such as fully robe and cosy slippers.

This charismatic home offers guests a world of peerless comfort, understated luxury and a oneness with nature that is typical of a Thai home, set just moments from the Gulf of Thailand, this is a memory-making spot, peerless when it comes to contemporary Eastern interiors flair!

Location & Local Information

Despite its resort overhaul, the former modest fishing village of Koh Samui retains a laid back air of 'beachy' Thai ease, offering azure sparkling waters and pristine sugar-white beaches. Thailand's third biggest island is set on the Gulf of Thailand, about 35 km north of Surat Thani Town, off the east coast of the Kra Isthmus.

With an abundance of natural beauty, when guests have tired of pampering within the resort, the outdoors beckons alluringly. Whether it be renting a scooter to explore the beaches that this region is famous for, or exploring the unspoilt islands of Ang Thong National Park or the Fishermen's Village night market in Bo Phut, this island will offer an intriguing blend of tourist hotspots and local life.

Whether it be golf, snorkelling or adrenaline pumping water parks, this region is rich with opportunity. Samui Canopy Adventure is a thrilling chance to discover Samui's rainforest by gliding on zip-lines from tree to tree.

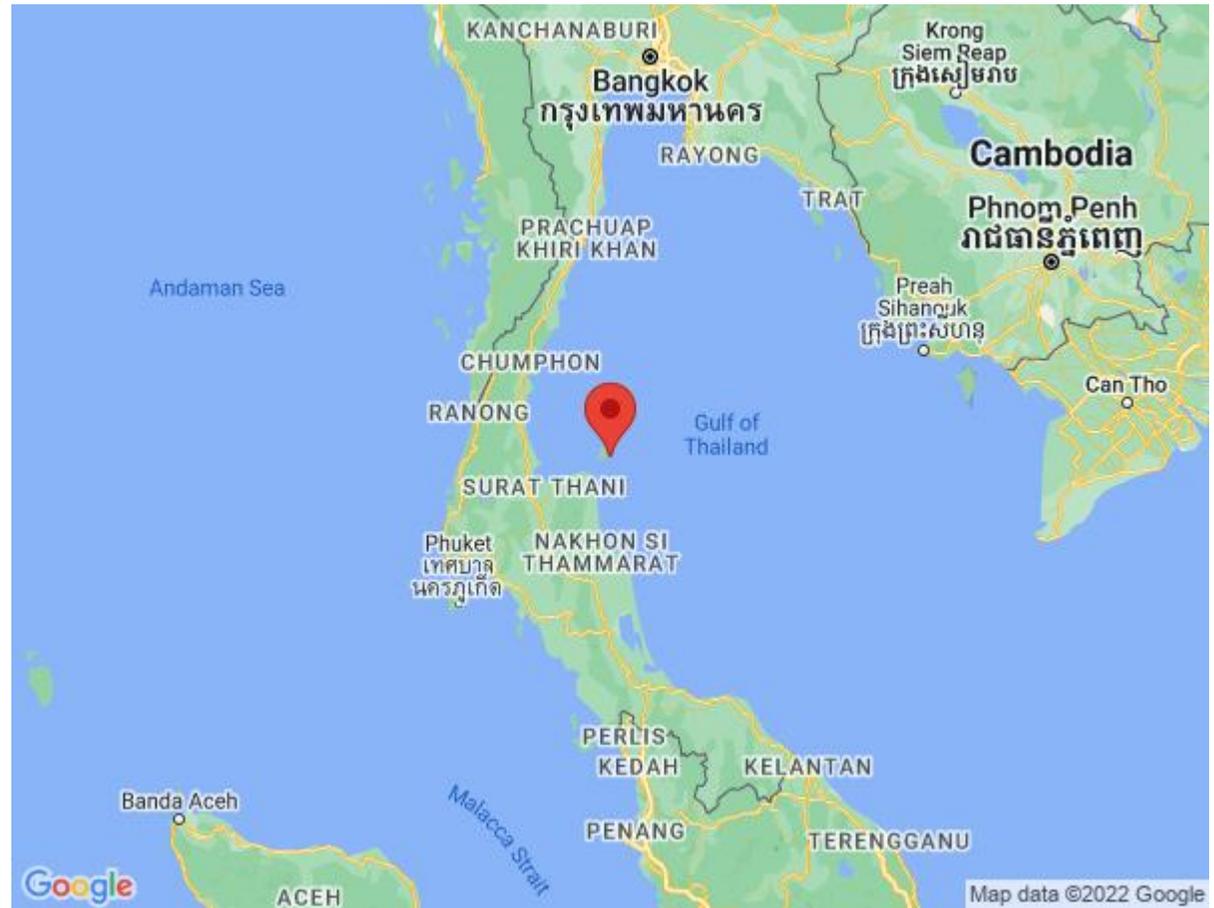

For adventurers, a scooter or motorbike may be preferable to a car - traffic can be heavy. Stopping by for some coconut water and exploring the waterfalls of Tan Rua Waterfall or Hin Lat Waterfall and finishing up with a visit to an elephant park will be a fabulous day out.

A visit to the 12 meter seated Buddha statue at the Wat Phra Yai Ko Fan Temple will offer an intriguing insight into the local religious culture; a beautiful setting with wonderful views, while the immense statue perches at the top of the temple. An early morning visit would entail the offering trial and morning chanting.

Chaweng offers buzzing nightlife - Koh Samui's busiest and biggest town has sprung up around one of the island's best beaches. From cocktail bars to world-class restaurants, the famous Green Mango strip is 3 kilometres long, offering eclectic, colourful local life in abundance.
