Location & Local Information

Villa Alvita, a testament to the island's history sits in Discovery Bay, on the northern coast of Jamaica. As the name suggests it is supposedly one of the first parts of Jamaica discovered by Christopher Columbus and the nautical vibe is persistent throughout the town!

The villa itself is located on a beachfront, so you can enjoy intimate times with the whole family without having to travel! However, as you are situated on the northern coast of the Caribbean Sea, you can frolic on any of the area's public beaches! Only a five-minute stroll from Alvita, Puerto Seco's vast, white sand beach makes it a popular choice for both holiday makers and the local residents alike, so if the locals love it, it's a definite must visit! The Puerto Seco Beach Park will entertain both children and adults with its inflatable amusements on the sea!

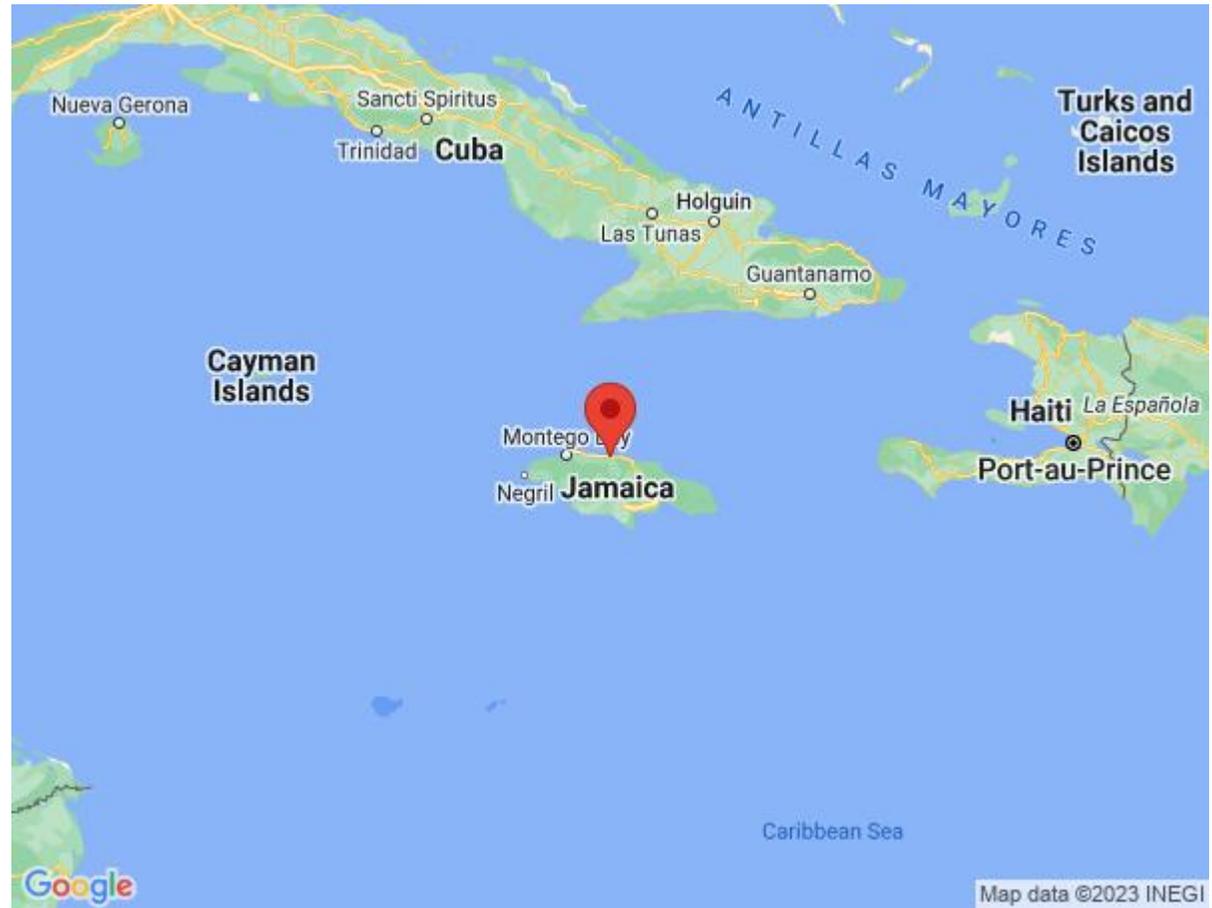

If you are looking for something different, a touch of adventure, a journey into the underground or the nostalgia of history, Green Grotto Caves is the perfect option. Linked to both the island's history and area, it is a major natural attraction for both local visitors and tourists who crave adventure. On your outward journey of this enchanting tour, stop at the "Wishing Well" and throw a coin – for luck, for love or any of your heart's desires! Go and explore but watch out for the bats!

After a connecting experience with nature if you are still craving more, Dunn's River Falls, is the perfect choice! You will find yourself walking along the beach and right into the falls, a breath-taking landscape that you couldn't simply walk past, you will have to surrender to the indigenous beauty!

One of the highlights of this area includes the Blue Hole, an obligatory stop for all members of the family. A beautiful, pale, chalky, blue river surrounded and embedded in lush green forest!

The enticing blue water will want to make you jump inside and you can do just that by jumping off one of the many platforms or swinging off one of the various rope swings around the river!

Avita's location offers a wide array of restaurants, shops, bars, beaches and tour and activity services. The villa is just 30 km away from one of the most fascinating places in the Jamaican island, Ocho Rios, a fishing village, where a bite to eat is a must!
