The full-size azure infinity pool and hot tub have enough space for everyone to swim in while admiring the scenery! One of the jewels of the garden is the over the water gazebo with a 270-degree view perfect for sunset dinners, with a marble dining table to pop open a bottle or choose to curl up on the cosy sofa!

Iriye Estate can accommodate fourteen guests in the seven en-suite bedrooms with private balconies. Four of the rooms feature king-size beds and rooms with a twin bed that can turn into a king-size bed. All of the bedrooms come with air-conditioning, a palette of vibrant colours with touches of wood and high ceilings that ooze understated luxury and stunning tropical views. All of the rooms are complete with a spacious shower and the master bedroom has its own private lounge area!

There are plenty of spaces in this villa for entertainment like the private tennis court with a basketball hoop, table tennis, Apple TV for downtime, because after all, relaxing is what a holiday is all about!

The villa is fully staffed with a butler, chef, housekeeper gardener and laundress!

The villa has superb architecture, but one of the most photogenic parts of the

Location & Local Information

Iriye Estate is located in Discovery Bay, on the northern coast of Jamaica. As the name suggests it is supposedly one of the first parts of Jamaica discovered by Christopher Columbus and the nautical vibe is persistent throughout the town!

The villa has a private beach so you can enjoy and relax the Caribbean sea amidst the whole family, with the privacy that the villa offers and without having to travel! However, as you are situated on the northern coast of the Caribbean Sea, you can frolic on any of the area's public beaches! Ten minutes walking from the villa is Puerto Seco where you will find white sand beaches, which makes it a popular choice for both holidaymakers and the local residents alike, so if the locals love it, it's a definite must visit! The Puerto Seco Beach Park will entertain both children and adults with its inflatable amusements on the sea!

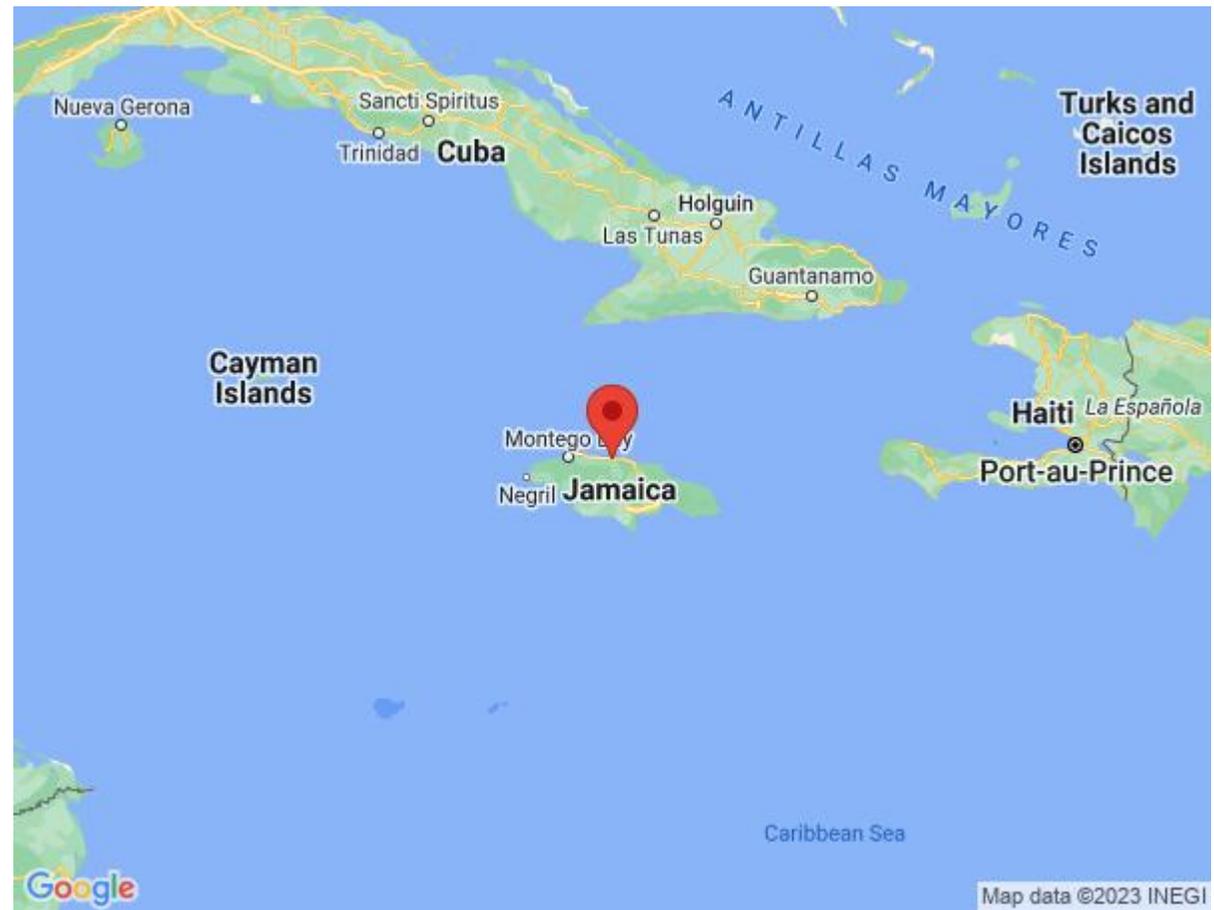

If you would like to explore and visit every possible inch of Jamaica, one hour drive from the villa lies the Green Grotto Caves! This amazing site offers the perfect option for something different with a touch of adventure and a journey into the underground or the nostalgia of history. Linked to both the island's history and area, it is a major natural attraction for both local visitors and tourists who crave adventure. On your outward journey of this enchanting tour, stop at the "Wishing Well" and throw a coin, for luck, for love, or for any of your hearts desires! Go and explore but watch out for the bats!

Another gem in the catalogue of natural wonders in Jamaica is Dunn's River Falls, where you will find yourself walking along the beach and right into the waterfalls, a breathtaking landscape that you couldn't simply walk past, you will have to surrender to this Caribbean beauty!

Jamaica is a natural paradise where you could find yourself in places that you would never have imagined to exist such as the Cool Blue Hole, a beautiful, pale, chalky, blue river surrounded and embedded in a lush green forest!

The enticing blue water will want to make you jump inside and you can do just that by jumping off one of the many platforms or swinging off one of the various rope swings around the river!

Iriye Estate's location offers a wide array of shops, bars, beaches and tour and activity services. In just 10 minutes walking distance, you will find restaurants where you can get a taste of the delightful, freshly caught fish that can be served with the many other natural delicacies grown in the country. The entire northern coast is easily accessible from any part so you can visit the Hip Strip in Montego Bay for a night out in Jamaica you surely will relive again and

again!
