Location & Local Information

The Balearic island of Menorca is the quieter, unspoilt version of its big sisters Majorca and Ibiza.

While it is partly known for its traditional summer fiestas, which take place in different towns around the island all summer long (with origins dating back to the 14th century!) it's really the place for those who enjoy a calmer, slower pace of life.

Aside from its traditional fiestas, Menorca is better visited for its white-sand bays such as Pregonda and Cala Macarella, clear, turquoise water and more gentle activities like walking, cycling or horse-riding.

With a coastline punctuated by beautiful coves and a landscape awarded the UNESCO Biosphere Reserve status, strewn with ancient stone monuments and an estimated 70,000km of dry-stone walls, this is an island for the nature lovers, and anyone looking for a little rest and relaxation

Cala Torret itself provides a selection of restaurants as well as many natural wonders within just a few kilometres. While there are many of its kind nearby, a particularly beautiful local attraction is the Cala Binipartrix, a sheltered cove comprising a limestone gorge complete with a sandy beach.
