

xVilla Gu

Region: The Canggu Beachside Villas **Sleeps: 10**

Overview

Designed with minimal simplicity and clean lines in mind, Villa Gu is perfect for switching off and diving into island life. The organic architecture, in true Balinese style, is designed to harmonise with the environment. The villa is made up of a main house and garden annexe - perfect for families or groups of friends travelling together.

Inside a secure walled compound and connected by a private walkway, each self-contained villa has its own interior design style and character. Outside, take a refreshing dip in the jade green pool that runs along the property and soak up the sun on the loungers facing the pool. Five glorious bedrooms span two floors - three master suites and two garden annexe bedrooms. There's a spacious outdoor rooftop terrace, which is perfect for gazing out at the views with a fruity cocktail in hand.

As the villa is so close to amazing eateries in Canggu and world-class dining in Seminyak, most guests choose to eat out. Therefore, there is no in-house chef, although this can be arranged for an additional fee.

The kitchen is also well-stocked with all the mod cons for self-catering, including a microwave and even a wine cooler! Dine on the alfresco table while enjoying the peaceful ambience of the water feature and the statue of the Hindu deity Ganesha, which adds a touch of Balinese spirituality.

Covering the majority of the downstairs area, the bright, airy living room is decorated in earthy tones to transcend outdoor living. The wall of floor to ceiling windows ensures space is bathed in light. Relax on supremely comfortable and stylish white sofas, while enjoying the view of the shimmering pool against a backdrop of greenery.

One master bedroom has a king size bed, while all the other rooms have split queen size beds. Muted floors are adorned with richly coloured rugs, while the beds are accessorised with patterned monochrome or sea green cushions. Carefully curated contemporary art hangs on the bedroom and bathroom walls - in the downstairs master suite, take a liberating soak in the semi-outdoor ensuite bathroom overlooking the tropical garden.

Location & Local Information

This villa is nestled between enchanting Batu Belig and chilled out Berawa, mere moments from an incredible beach. Around the corner is a beautiful, natural lagoon dotted with colourful outriggers, ready for night fishing. Close to all of Canggu's amenities and unparalleled views of sweeping rice terraces, guests at this villa will be located in one of Bali's most desirable hotspots.

Berawa beach has an irresistible laid back atmosphere - it's great for those who love surfing as there are some challenging breaks along the long beach break. With striking black volcanic sand and panoramic views of the Indian ocean, Berawa is particularly lovely at sunset. Locals and tourists gather at the beach clubs to watch the sky light on fire from the comfort of a bean bag.

Batu Belig also has bewitching black sand - the beach is known for being family-friendly and chilled out. While the waves are too strong for any serious swimming, grab a body board to ride the waves. Echo Beach is also a short drive away, which also has excellent surf and famous nightly beach barbecues.

Canggu is surrounded by evergreen rice paddies that stretch as far as the eye can see. A great way to experience the lush landscape is by bicycle - take a trip down the Shortcut, which is a beautiful path through the plantations. Just be careful when you move to the side to let others pass, or you might end up in the locals' book of falls! Other lovely areas to cycle around the rice terraces are Pererenan and Seseh.

The villa is just a few kilometres north of Seminyak, Bali's premiere upscale beach resort. A playground for jet-setters, fashionistas and yogis, it's full of fashionable boutiques where you can shop til you drop. Seminyak has an excellent nightlife, atmospheric cocktail huts and superb sundowners at beach clubs.

You'll be spoilt for choice when you stop for a snack in Canggu or Seminyak. Pick up some local treats from a warung, or take your pick of the wildly popular array of quirky cafes. Healthy smoothie bowls are available in abundance, as are world-class menus of international fare.

Bali is known as the 'Island of the Gods' and is home to countless enchanting temples. Magical Pura Petitenget embodies Balinese spirituality and is a significant link in the series of temples along Bali's west coast between Pura Uluwatu and Pura Tanah Lot. The temple has twelve shrines and an impressive dragon staircase that leads to an expansive courtyard. Every evening, there are temple ceremonies on the beach and traditional dance displays.

Bali Equestrian Centre is a must for horse lovers - whether you're a keen rider or want a taster riding lesson, this world-class centre has got you covered. Take a beach ride, weaving through the powdery sand, or visit a local village.

Finn's Recreation Club is very close to the villa and is bursting with activities for the whole family. Boasting a water park with thrilling slides popular with kids and adults alike, a state of the art gym, blissful spa, vast tennis court and boxing arena, there's something for everyone here!
