

# Villa Boa - Canggu Beachside Villas

Region: Canggu Sleeps: 6

## Overview

Let's start with the beautiful outdoor living space, as the aquamarine pool provides the perfect respite for a hot Balinese day in the sun. There's a great deal of space to swim, splash around and float peacefully in tranquil surroundings. The dazzling pool is bordered on one side by a meticulously manicured lawn and a backdrop of foliage, with an array of sunbeds for lounging on.

A warm terracotta colour scheme runs through the villa to create a stylish yet cosy atmosphere. In the master bedroom, which is decked out in earthy red and green tones, you'll find a queen size bed with a striking red headboard, a flat-screen TV and air conditioning. However, one of the most beautiful areas of this property is inside the ensuite bathroom - a tropical floral tapestry-style feature wall. It perfectly offsets the minimal simplicity of the dark granite freestanding tub and double vanity.

The guest bedrooms are located in the garden annexe on the ground floor. These rooms have either sea green or marine blue colour schemes and split king size beds. In one bedroom, circular art pieces give the impression of fluffy wood - truly unique. If you're not in the mood for a bath, enjoy the powerful rain shower in these rooms for a quick moment of serenity.

The semi-alfresco living room is the perfect space to unwind in surrounded by authentic Indonesian art pieces, made from natural materials in order to harmonise with the environment. A particularly striking piece is the swirling wood sculpture above the patio door. A bohemian patterned rug adds a splash of colour and homely touch, while the wooden chairs are shaped almost like hammocks!

The smart black and orange Japanese themed dining area has great poolside views, especially at night when the villa lights up in ambient tones. Enjoy a home cooked meal or some food from Canggu's impressive eateries under the watchful eye of Dewi Sri, the Javanese goddess of fortune. Close your eyes and soak up the zen atmosphere.

Ascend the spiral staircase to reach the rooftop terrace, with spectacular garden views and seating space to enjoy a refreshing drink.

## Location & Local Information

This villa is nestled between enchanting Batu Belig and chilled out Berawa, mere moments from an incredible beach. Around the corner is a beautiful, natural lagoon dotted with colourful outriggers, ready for night fishing. Close to all of Canggu's amenities and unparalleled views of sweeping rice terraces, guests at this villa will be located in one of Bali's most desirable hotspots.

Berawa beach has an irresistible laid back atmosphere - it's great for those who love surfing as there are some challenging breaks along the long beach break. With striking black volcanic sand and panoramic views of the Indian ocean, Berawa is particularly lovely at sunset. Locals and tourists gather at the beach clubs to watch the sky light on fire from the comfort of a bean bag.

Batu Belig also has bewitching black sand - the beach is known for being family-friendly and chilled out. While the waves are too strong for any serious swimming, grab a body board to ride the waves. Echo Beach is also a short drive away, which also has excellent surf and famous nightly beach barbecues.

Canggu is surrounded by evergreen rice paddies that stretch as far as the eye can see. A great way to experience the lush landscape is by bicycle - take a trip down the Shortcut, which is a beautiful path through the plantations. Just be careful when you move to the side to let others pass, or you might end up in the locals' book of falls! Other lovely areas to cycle around the rice terraces are Pererenan and Seseh.

The villa is just a few kilometres north of Seminyak, Bali's premiere upscale beach resort. A playground for jet-setters, fashionistas and yogis, it's full of fashionable boutiques where you can shop til you drop. Seminyak has an excellent nightlife, atmospheric cocktail huts and superb sundowners at beach clubs.

You'll be spoilt for choice when you stop for a snack in Canggu or Seminyak. Pick up some local treats from a warung, or take your pick of the wildly popular array of quirky cafes. Healthy smoothie bowls are available in abundance, as are world-class menus of international fare.

Bali is known as the 'Island of the Gods' and is home to countless enchanting temples. Magical Pura Petitenget embodies Balinese spirituality and is a significant link in the series of temples along Bali's west coast between Pura Uluwatu and Pura Tanah Lot. The temple has twelve shrines and an impressive dragon staircase that leads to an expansive courtyard. Every evening, there are temple ceremonies on the beach and traditional dance displays.

Bali Equestrian Centre is a must for horse lovers - whether you're a keen rider or want a taster riding lesson, this world-class centre has got you covered. Take a beach ride, weaving through the powdery sand, or visit a local village.

Finn's Recreation Club is very close to the villa and is bursting with activities for the whole family. Boasting a water park with thrilling slides popular with kids and adults alike, a state of the art gym, blissful spa, vast tennis court and boxing arena, there's something for everyone here!
