Location & Local Information

Iztuzu beach is the closest beach area to Villa Hatayi and is a stunning natural beauty home to a lovely turtle population. Beside the beach, you will discover a sea turtle sanctuary with the aim of saving, protecting and conserving the beautiful and native sea creatures.

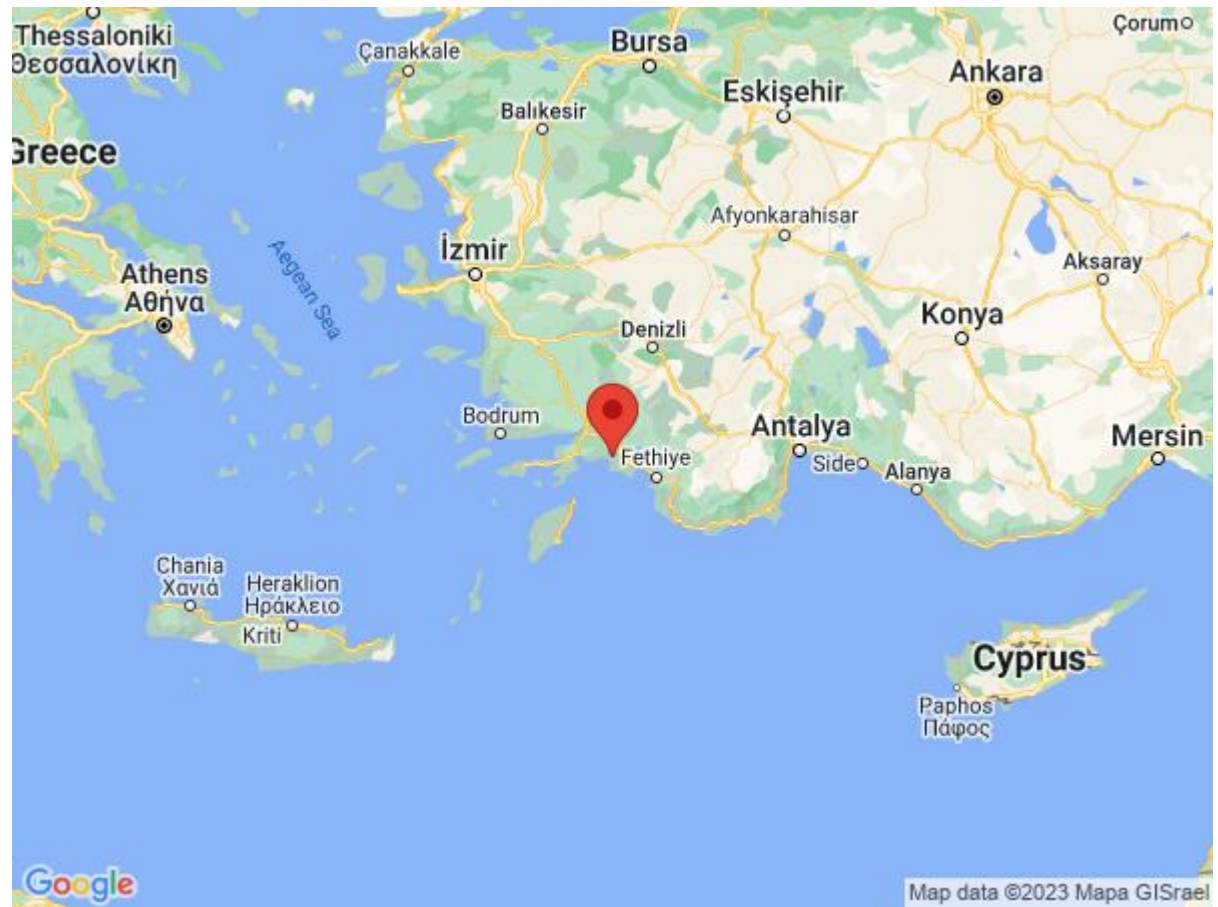

Aside from the wildlife, Iztuzu is a desirable oasis of sun, sea and sand and provides lovely days under the hot Turkish skies. There aren't any watersports at this beach but there is a seasonal cafe providing snacks and refreshments. Due to its beauty, the beach gets quite busy so perhaps its best time to visit is early in the morning before the crowd comes in.

The ancient city of Kaunos is a wonderful step back into history with ruins including a Roman theatre, bath and rock tombs.

The impressive ruins are accessible via a short walk and take hours to look around. Even then they'll surely be something that you've missed so tread carefully and bring your camera with you. Taking in time to imagine life way back then is a beautiful way to enjoy this historical site. If you visit early in the morning or late at night you can absorb the blissful tranquillity that surrounds you while listening to only the sounds of nature in the background.
