Location & Local Information

Set among endless miles of beautiful white beaches, coral reefs, towering limestone cliffs, caves, waterfalls and exotic wildlife, The Shell Sea Resort is a boutique

Often called the 'The Emerald of Andaman', the province of Krabi, located between Phang Nga and Trang, is the perfect holiday destination for those looking for a relaxing break in Thailand. It is less developed and crowded than Phuket, more laid back than Koh Samui, and just an 80-minute flight from Bangkok!

Just 300m away is the incredible Fossil Shell Beach, a 40-million-year-old freshwater swamp that is now literally a 'shell graveyard' and a fascinating pre-historic moment on the south coast of Krabi Province. Meanwhile, the famous Aonang Beach is just 10 mins away from the resort, while it's just 20 minutes to Krabi town, a small relaxed city with a population of around 55,000 and a fantastic night market with over seventy food stalls, open every Friday to Sunday evening.

Offering endless miles of fine white sands, glistening palm trees and shimmering blue seas, this is undoubtedly one of the world's finest beach destinations, with more than a hundred offshore islands! So whether you're after a traditional beach retreat of sandcastles, paddling and sun-bathing on the many nearby tropical islands or a hike up the countless towering mountains, Krabi has something for everyone!

Beautiful hikes and activities can be enjoyed throughout the lush tropical jungle, freshwater lagoons and dense mangroves of the region. The ultimate attraction is undoubtedly Phnom Bencha National Park, including the Huay Toh Waterfall with eleven levels including many large pools where you can swim!

The thrill-seekers and adventurers among the group will also be more than satisfied with the fantastic entertainment options on the island which include Elephant Trekking, white water rafting, rock-climbing on the famous limestone karsts, scuba diving and snorkelling among the tropical fish and kayaking through emerald pools. Rock-climbing is best enjoyed on one of the iconic Khao Khanab Nam Mountains and the incredible craggy peninsula of Rai Leh that is Thailand's climbing Mecca!

And for those simply looking to be pampered, soak up the sunshine and indulge in a little 'me time' there are plenty of spas, massage parlours and golden beaches to get in a little self-care and relaxation!

The nearest airport is Krabi International Airport, 25km from the resort, while Phuket International Airport is less than 3 hours away. Regular services run from Bangkok and Chiang Mai, with some flights from Hong Kong, Singapore, Kuala Lumpur, Doha and several cities in China.
