Location & Local Information

Tenerife is a stunning member of the Canary Islands, and incredibly family-friendly. There is so much life on this island! Thanks to its beautiful climate, natural surroundings and tourist development, you'll find something to do here that everyone will love at any time throughout the year.

Whether you want to see some beautiful beaches, visit a volcano, play golf, attend parks, both water and safaris or even watch the whales in the sea! You can do it all here! This complex is in the municipality of Adeje, located in the south-west of the island. There are plenty of attractions nearby that will give you plenty to do!

Family fun is an easy accomplishment of this area: Aqualand is a spectacular water park nearby that is perfect for families; similarly, you can travel to Siam Park which offers rides for both children, families and adults! It even has the famous adrenaline-inducing Tower of Power which is a slide at the height of 28m and goes through a huge aquarium full of sharks!

For all the fun to be had at the resorts, it's the natural beauty that keeps people coming back to Tenerife. Hiking in the rugged Anaga Mountains comes highly recommended – a trail leading you from the Mercedes Forest to Punta del Hidalgo on the northern coast shows you a completely different side of the island.

If you're interested in visiting some more natural beauties, then you can visit The Teide national park which is home to the third-highest volcano in the world standing at over 3,700 meters! There are local guides that will take you on an in-depth experience surrounding this volcano!

Additionally, Adeje has some beautiful beaches that you can visit and spend the day at, perfect for those who are seeking a beach holiday. If you like shopping, there are a few large shopping centres nearby, so you'll find great places to shop till you drop!

Playa de las Americas is a haven for water-sports, beach life and nightlife, and has some good family attractions too. The Thai-themed water park, Siam Park, is perhaps a little more imaginative than most, while dolphin and whale watching is sure to enchant both children and adults.
