

Villa Erinikos

Region: Mykonos Sleeps: 18

Overview

Villa Erinikos is a luxury villa in a stunning location where it benefits from natural light and the breath-taking views of Fokos Beach, a wild and remote beach on Mykonos. Its location makes it perfect for those who are looking for a beach holiday, as all you need to do is step outside and you're on the sandy beach of Fokos, with beautiful clear blue water and no parties. It is the perfect relaxing location.

The property is split over three floors and each room uses its space successfully to create a comfortable holiday villa where you can relax. This villa is great for larger groups and multiple families travelling together, but you will be able to escape to a portion of the property and be alone if you desire it! The living space has been designed to be a gathering and entertaining space, with large sofas, a television and generous space. It also has direct access outside, great for letting a breeze in or for changing between the outdoor and indoor space easily.

The living space also has a circular dining table for you to enjoy your meals at. This isn't the only dining location as you can also enjoy your meals outside on the outdoor dining furniture, with the spectacular views that are naturally provided by Fokos beach. The living area has been beautifully lit, and the natural light only enhances the space further as the light simply bounces off the white walls, opening the room! The kitchen, similarly, has been lit beautifully which naturally enhances the bright white cabinets and stainless steels appliances. It has been fully equipped with all the modern necessities.

With seven bedrooms and a range of setups provided, you'll find spaces for each of you to escape to when needed! There are two master bedrooms and five double bedrooms, one of which has two single beds. Some of the rooms have en-suite bathrooms, and they all share similar designs and layouts. You'll find all the rooms have air conditioning which may be necessary if you find the hot nights prevent you from sleeping!

Exit out to the terrace where you'll find cobbled walls and outdoor seating. Then you'll find a private swimming pool and an outdoor jacuzzi ready for you to use, relax and splash in! There are sun loungers for you to relax on, giving you a chance to top up on your tan. The villa has a BBQ ready for you to make use of, perfect if you love outdoor dining. If you're hoping to host a special celebration, then the villa even has a church perfect for a fairytale wedding!
