

# Villa Fokosso

Region: Mykonos Sleeps: 26

## Overview

Villa Fokosso is a beautiful, contemporary villa that uses natural light and spacious rooms that invite you into a bright space and welcomes you to stay! The interior and the exterior are simple, presenting a typical Greek architecture throughout, enhancing the beauty surrounding the villa. Villa Fokosso is on the beachfront at Fokos, meaning it benefits from the views of the sea and beach all day, and they are wonderful!

Villa Fokosso is split into two properties: both are similar in design as they invite you to relax in a light and comfortable space. The beauty of this is that you can separate into different families, generations, and groups if you desire time apart, as each property is independent of the other. Each property has a living area with comfortable sofas that you can sink into. The villa has a television in each room, offering entertainment for you and your guests. The kitchen and dining room are similar in both properties, as they are large and bright spaces with white fittings, stainless-steel appliances and plenty of workspace, ensuring a pleasurable and easy experience.

The bedrooms are a mixture of doubles, kings and a couple of staff rooms, one twin, one double. They are all welcoming and generous in size, with comfortable beds that give you a great place to rest. There are four master king bedrooms, and then the rest are double rooms, with several of them having en-suite bathrooms. The bedrooms are all equipped with air-conditioning to help you combat those hot nights that may be unusual for you. Moreover, they each have a television for additional entertainment.

The property has a private swimming pool and an outdoor jacuzzi ready for you to use, relax, and splash in! Great opportunity to have fun with spectacular views acting as your backdrop. There are sun loungers for you to relax in to top up on your tan and other outdoor seating areas. The villa has a BBQ available so that you can enjoy the ultimate summer food while dining poolside. If you're hoping to host a special celebration, then the villa has a chapel, perfect for fairytale wedding photos!
