Location & Local Information

Lanzarote is a beautiful island situated at the far right of the Canarian archipelago, the closest island to the African continent at the same longitude as the southern tip of Morocco. This location means that we enjoy a sunny, temperate climate all year round. Lanzarote has the most consistent climate of all the Canary Islands, with stable temperatures throughout the year, averaging 17°C (63° F) in January/February and 24° C (75° F) in the summertime.

The whole of the Canary Islands is volcanic, but it is in Lanzarote that the most recent volcanic history is evident and accessible. A visit to Timanfaya National Park located in the south of the island is a must.

Lanzarote is also a unique example of how one single man can have so much influence on its aspect that one can say César Manrique 'sculpted' Lanzarote! Lanzarote's greatest and internationally renowned son left his genius signature everywhere on the island... as sculptor, painter, architect and environmentalist. It is also largely his responsibility that tourism on Lanzarote developed within certain aesthetic guidelines and above all without spoiling the island's landscape heritage, customs and traditions.

Except for one hotel building in Arrecife, all buildings on the island are low-rise – “not taller than a Canarian palm” – and you won't find any advertising hoardings at the roadsides! But what you will find at the roadside are fascinating wind mobiles and sculptures and pretty villages in a symphony of white and green!

Playa Blanca is a very popular resort located a short 30-minute drive from Lanzarote airport in the island's capital, Arrecife. The resort of Playa Blanca boasts many gorgeous sandy beaches, with the beaches of Papagayo being particularly popular due to the fine golden sand.

There are also numerous restaurants, café bars and shops in Playa Blanca, and a wonderful waterfront promenade that stretches for many kilometres, a great place for a gentle stroll or to burn off some calories during a morning jog!

Another highlight of staying in Playa Blanca is that there are regular ferries going over to the neighbouring island of Fuerteventura, a journey that takes less than 45 minutes and offers you the opportunity to visit the harbour town of Corralejo with its very famous sand dunes/desert!
