

# Villa Chailai

Region: Veranda Resort **Sleeps: 4 - 6**

## Overview

Villa Chailai is unique abode offering an unparalleled position high up above the rustling tree canopy, with views across the dazzling Gulf of Thailand, like a haven of luxury and style in the sky, offering private steam room, infinity pool and exquisite tranquillity at every turn.

Enjoying the best of both worlds, this sumptuous retreat blends the finest resort amenities and conveniences along with the privacy of an independent home, with round-the-clock butler service to pamper guests' every need. Like a jewel in the crown of one of Western Thailand's finest beaches, Cha Am, Villa Chailai offers a haven of luxury and serenity, in its cool air-conditioned spaces, away from the bustle of the crowds and heat of the city.

Outdoor living has been executed stylishly, with a natural interplay between indoor and outdoor spaces in authentic Thai style, meaning guests can simply wander from their bedroom to the poolside decking with morning coffee, or enjoy an evening cocktail enjoying the sun softening over the bay.

Set across two storeys, this decadent home features one master bedroom with a king-sized bed, and a second-floor bedroom with twin beds, along with separate bathroom facilities, making an ideal retreat for a family, or two couples. Finessed with great attention to detail, all the little extra touches are in place: Thann luxury bathroom products, fluffy robe and slippers and sumptuous rainfall shower to complete the tropical rainforest feel!

The interiors at Villa Chailai offer chic, elegant style with impeccable Feng shui; a blend of European finesse and Eastern charm, using natural raw materials, teaks and exposed timber, along with floor-to-ceiling glass for that indoor-outdoor fusion. The master suite is a sophisticated affair, a magical spot at night when illuminated and the mystical tree canopy and ocean views with breezes create an alluring, mystical ambience.

Modernist interiors with muted, earthy tones are offset by splashes of cobalt blue and crisp, white linen. Unutterably chic, with ample use of glass and dark-stain timbers, guests will have the feel of stepping into the pages of a glossy lifestyle magazine.

Charming touches such as the writer's desk, elegant accessories and designer lighting simply add to the premium feel of this space, whilst all the modern

touches are in place (LCD flat-screen television). Being able to relax by a private pool, and overlook the ocean is about as good as it gets - and when guests get peckish, they can simply order a delectable meal from a range of world cuisines.

For a seamless and stylish holiday abode, taking the hassle out of travel, offering proximity to a fine sandy beach and local culture, along with every comfort imaginable, simply look no further.

## Location & Local Information

Cha Am, in the western province of Phetchaburi is 170 kilometres south of Bangkok (2.5 hours by car) and 25 kilometres north of Hua Hin, the famous seaside resort. Hua Hin has a well-trodden tourist infrastructure, whereas Cha Am is known for its laid-back style, 5-kilometre long beach lined with Casuarina trees and colourful local culture; it is also popular with Thai holidaymakers.

The resort caters so well to visitors that they barely need to leave the complex. With the Lobby Bar offering wines, cocktails and fresh coffee and the I Sea restaurant and bar, voted Restaurant of the Year by Tatler Thailand, offering a menu created by celebrity chef, culinary enthusiasts will be in paradise.

The resort provides area shuttles around Hua Hin Town Centre and also has parking available. Guests can take part in a cooking class, practice yoga to the sounds of the ocean, or play volleyball by the beach. When it comes to a spot of pampering, massages and facials are available at the Veranda spa.

From pony rides on the beach and thrilling banana boat rides for children to water-skiing, windsurfing and parasailing, Cha Am's beach has ample activities on offer. Sitting back and relaxing with a Thai massage, or simply enjoying the sunset with a cocktail in the evening.

When it comes to local attractions, from shopping to water parks to cultural sites, this region is rich with an offering. Maruekathaiyawan Palace is a Thai-Victorian style summer seaside palace, constructed in the early 1920s designed by an Italian architect and built with golden teak; the royal halls and chambers are set up as a walk-through museum, decorated with royal artefacts and framed vintage photographs.

For a spot of shopping, The Venezia is a vividly coloured replica of the original Venice, in Hua Hin. With 316 shops, the park is immense and even includes a 200 meter 'Grand Canal' - visitors can catch a ride on an iconic Venetian gondola. Colourful Mediterranean style homes, shops and terraces line the canal which finishes with an Italian style garden.

The Cicada Market in Hua Hin is a nightlife market with art and entertainment, offering a variety of wares and relaxed atmosphere. With its distinctly local flavour, Hua Hin and Cha Am are full of authentic Thai experiences, from the historic Hua Hin Railway Station to an excursion inland to Phetchaburi -the 'city of three palaces' - to discover ancient temples, caves and the scenic Phra Nakhon Khiri Historical Park, visitors will find endless attractions whether within the resort or beyond.
