Location & Local Information

Located between Begur and the port of Fornells on the Costa Brava, this villa is just moments from the stunning beach of Aiguablava, while still retaining a sense of seclusion and privacy. With crystal clear water and white sand, this beach is widely regarded as one of the most beautiful beaches of Begur. The fine white sand and white rocks provide the water with an exquisite clear blue colour making it a perfect location for snorkelling. The shallow, calm waters and the proximity to fabulous local restaurants make this a fantastic place for the whole family. There are also boats and kayaks available to rent, for those that want to explore the nearby bays on an exciting sea excursion.

Located just a ten-minute drive away from the villa is Begur, a hidden gem of the ever-popular Costa Brava. Begur is part of the comarca of the Baix Empordà in Catalonia. It has gained a reputation as a stylish holiday choice, with a wide range of quality restaurants and shops, all offering a taste of sophisticated Spain. Begur has become very popular with the Spanish, many of whom travel from the city of Barcelona, which, if you feel like stretching your legs is located just one hour North of Begur! Located around fifty-minute drive from the stunning city of Girona (50 km) or just over an hour (131 km) from the ever-buzzing Barcelona, Begur offers a fantastic location for all.

Begur is overflowing with Spanish charm and has a plethora of things to do from fantastic local eateries and restaurants to boutique shopping and much more. There are of course the ruins of the Castell de Begur which makes for an interesting hike.

Begur is conveniently located within a slew of local Spanish towns and villages giving families and explorers plenty of things to do. There are also the stylish beaches of Sa Tuna and Sa Riera which are just a short drive away. If history is your passion, then perhaps the nearby villages of Regencos and Púbol will interest you. They are both oozing with medieval architecture, especially Púbol which is home to many landmarks associated with Salvador Dalí, including the ruins of the castle that he gifted to his Russian wife, Gala. Begur is also local to many golf courses, two of which are located within 10km of the village.
