

Villa Rung

Region: The Racha Sleeps: 2 - 3

Overview

Gorgeously crafted and situated on the beachfront, Villa Rung makes for a truly wonderful place to escape to Thailand. With offerings of ample space, beautiful design and tranquillity, this villa is set on a resort and thus further offers a range of activities, services and facilities for you to indulge in!

Villa Rung, like all villas in The Racha resort, offers unbelievable style and freedom of movement across its interior and exterior. Soft lighting sits subtly throughout the house and even under furniture to offer that extra touch of class. Immaculately clean marble flooring is emboldened by light and natural colours adopted throughout!

Step into the outstanding villa and you will be greeted by the massive living area! To the right, you will find an exceptional indoor jacuzzi pool, elegantly finished in black to give it a very sleek look. With plants nearby and an outdoor shower, couples can truly feel as if they have brought the outside into their very own dwelling! Within the living area, you will find a beautiful daybed which invites guests to get cosy and relax as they watch the 60-inch LCD television! For even more relaxation, choose the sun-lounger, and truly sprawl out!

Behind the living area, you will find your stunning bedroom! The king-size bed may appear smaller than it actually is due to the size of the room. However, guests can rest assured and will soon find, once getting into the bed, that there is more than enough space for two people to truly snooze whichever way they would like! Another daybed by the window allows guests to recline with rays from the sun or take a quick nap, and whilst in bed, you can watch the 42-inch television as you unwind from a day filled with adventure!

The bathroom continues the elegance, so you will feel like royalty as you refresh yourself in the shower. For more indulgent experiences, why not grab a drink from the mini-bar and soak in the jacuzzi bath!

Across the side of Villa Rung, guests are blessed with a gorgeous terrace! Splendid views of the coast and sea can be experienced on the twin sun-loungers and a dining area for two, perfect for an alfresco meal! The jewel of this terrace is the outdoor daybed! Situated under a roof to provide guests relief from the sun, why not ditch the indoor bed for a night and sleep under the stars in the glorious Thai heat!
