

# Villa Floris

Region: Sitges Sleeps: 8

## Overview

The views say it all! Villa Floris offers a picturesque, modern villa perched atop a hill above the charming town of Sitges. Looking out over the sea, the landscape is constantly changing, with the ripples of the waves reflected in the villa's expansive windows, drawing the natural landscape within the villa's walls.

Throughout the property, large windows and glass doors let the sunlight flood in, making every living space bright and airy, perfect for a summer holiday. On the ground floor, the hallway leads straight through to the terrace and swimming pool, so from the moment you arrive, you are guided out into the sunshine.

As you step up to the first floor, you will find the main sociable living areas, with a fully-equipped kitchen, that's filled to the brim with modern appliances and a breakfast bar where your loved ones can gather around and help prepare delicious meals!

The kitchen leads through to an elegant dining room where the wall is made up of glass, making the stunning views seem like wallpaper, adding a special feature to the room. The lounge has much the same style, with comfy sofas arranged around a television, though with such beautiful views, I'm not sure you'll be staring at the TV!

On the first floor, there is a double and twin bedroom, with a final double room and bathroom on the top floor. The top floor suite offers unbelievable views, so you can open the curtains and watch the sunrise each morning, what could be more romantic?

Outside, it almost feels as though the waves are knocking at your back door, setting the scene for a relaxed evening outdoors, sharing a bottle or two of local wine, whilst sharing stories and laughter with your loved ones. There are sun loungers and an outdoor dining area, perfect for you to sit as a group, and when the midday sun gets too hot, you can hop into the pool and cool off!

Villa Floris is the perfect spot for your Spanish holiday away; whether you are sunbathing on the beach, relaxing at the villa, or exploring the architecture of Barcelona, there is something for everyone!
