## Location & Local Information

Turkey, famed for its culture, history, cuisine and landscapes, is a favourite holiday destination and it seems wherever you travel in this country you are bound to experience memorable and wonderful settings and options. The southwestern region is considered one of the more beautiful sides of Turkey, so much so that locals even travel here regularly!

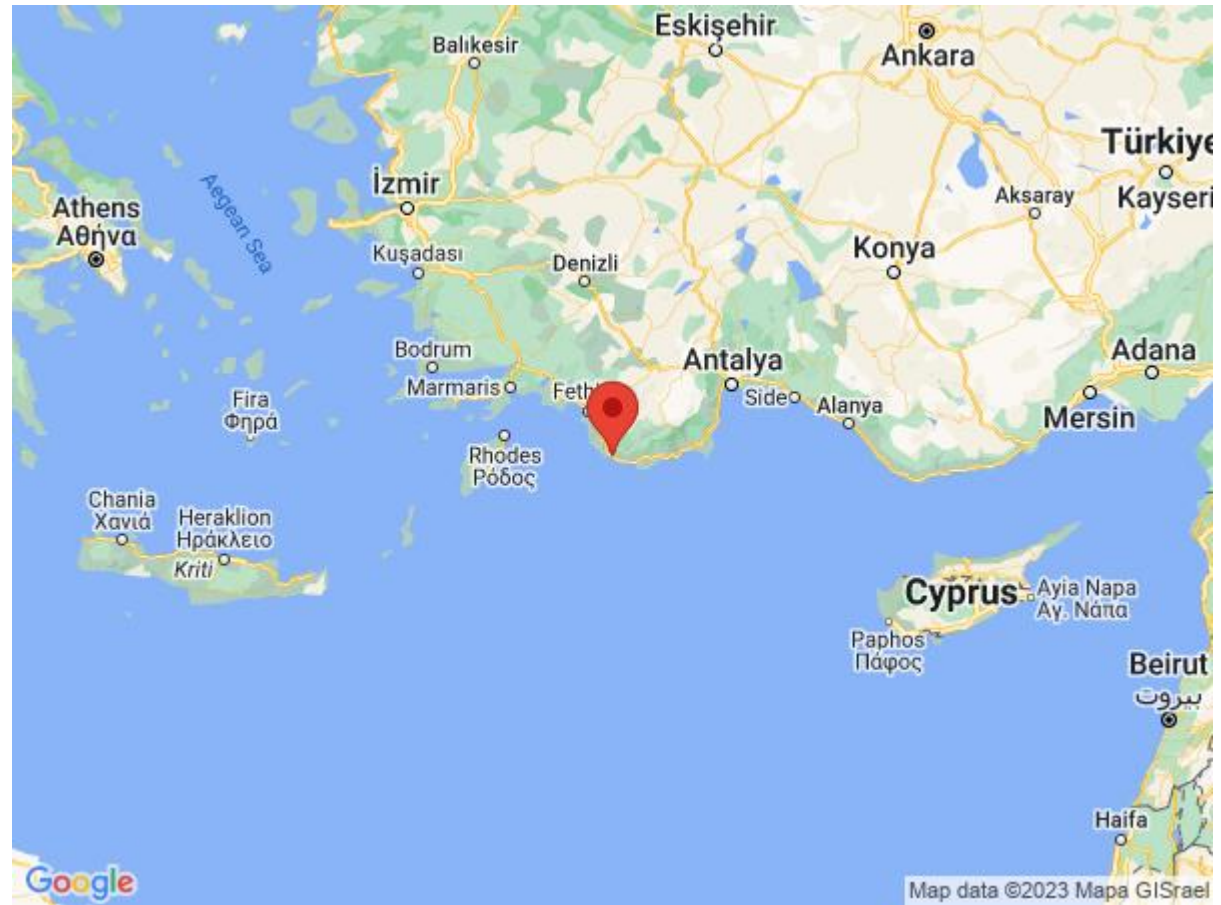

Kalkan is a vibrant and friendly town with cobbled streets and a pretty harbour, so you will be able to find an array of amenities, facilities and services when necessary. The town also neighbours nearby rural villages, that have remained unchanged in their practices and cultures from centuries ago!

With a selection of beaches at your disposal all suitable for families, The villa's location is perfectly situated outside the activity of Kalkan but still close enough to the shore to make trips to the beach quick and accessible! Visit the town's pebble beach in for a light dip or chill, here there are sunbeds and umbrellas and a few restaurants close by. Head to Kaputas Beach to admire the magnificence of its divine azure sea and the shingle beach! Or visit Patara Beach, where just under 7 miles of uninterrupted sandy beachfront awaits you! Guests will be pleased to know refreshments and food are served at a small cafe by the beach so you can keep everyone satisfied as you enjoy the seaside festivities!

The ruins of the ancient city of Patara lie in the ramshackle village of Patara, a short drive from the beach. Experience remnants of some of the most successful and notorious empires of days past as you marvel at these preserved and protected sites. Don't forget explore the ruins at Patara, including the government building where it is said democracy started!

For those who wish to explore the unspoilt natural landscape all around you, you are in luck as the town offers opportunities to do so over land and sea. Why not trek around the evergreen Taurus Mountains or take a traditional Turkish Gulet, an explore the miles of coastal shores by the sea!

Kalkan offers a variety of restaurants that serve both authentic traditional Turkish meals, a home favourite cuisine worldwide, as well as more familiar and global dishes. Choose from views from the beach, amongst the luscious green landscape or panoramic views from rooftops restaurants overlooking the bay and sea!
