Location & Local Information

Located in the peaceful area of Areeiro, a short distance from from both Loulé and Almancil as well as neighbouring resort towns of Quinta Do Lago, Vale do Lobo and Vilamoura, the location remains calm and quiet, making it ideal for a little outdoor activity, be that a peaceful stroll or even a bike ride. We recommend hiring bikes nearby and taking a scenic trip around the neighbourhood, including to the world-famous golf courses just short ride away! Villa Elmen is located just 2.5km from the nearest supermarket, 8km from the nearest beach in Vale Do Lobo, and 16km from the city of Faro.

Once an expanse of pine forests and empty beaches, Vale de Lobo and Quinta Do Lago have been transformed into the height of luxury over the last 50 years. With two 18-hole championship golf courses, the Royal and the Ocean, Vale de Lobo is the dream destination for any aspiring golfer.

Outside of golf, the Algarve is an excellent destination for other hobbyists. With a vast coastline that meets the powerful Atlantic Ocean, Portugal is a true paradise for the keen surfer, or indeed even those looking to try if for the first time, with plenty of surfing schools all along the calmer sections of the coast. And even for those less enamoured with surfing, the beaches of Portugal are well worth a visit for their beautifully clear waters.

The Algarve, the southernmost region of Portugal, is famous for its picturesque scenes of vast blue skies casting a warming glow on the expanse of the Atlantic Ocean, with untouched bays framed by jagged Limestone rocks at every turn. While the southern coast caters to every need of its visitors, to the West and the rugged interior the land remains largely untouched, with less development and endless intersecting of historic villages, hilltop castles and beautiful churches.

Portugal itself is a small, fascinating country at the most Western point of mainland Europe. The capital, Lisbon, is known for its lively nightlife, with endless bars and clubs full of fun-loving locals and tourists alike, but also has plenty of fascinating history (check out Belém, jam-packed with monuments!) and undulating terrain, famously termed the 'city of the seven hills'.
