Villa Ellen truly offers something for everyone, perfect for kids and adults alike, playing games, splashing in the pools and spending quality time with your loved ones. The villa sleeps twelve guests, with six great bedrooms for you to choose from.

When you open the front door, the villa draws your gaze straight out to the private terrace and swimming pool. Following your gaze will lead you through into a fabulous open-plan family room. With a double height ceiling, large bright windows and plenty of room for the whole group, this space encourages everyone to spend time together, a blank canvas for your own unique holiday adventures! The furnishings are simple and modern, including a fitted kitchen with black cupboard doors, that provides a contrast from the white colour palette of the rest of the room. The kitchen offers all the equipment you need to prepare some delicious homecooked meals, perfect for relaxed evenings in after busy days exploring Florida. Throughout the room there is ample seating for everyone, spread between a large L-shaped sofa, a sociable dining table and chairs around the breakfast bar.

Downstairs there are two well-equipped bedrooms, one twin room and one double with its own en-suite. There is nothing better after an active day at the Disney parks than settling down for a good night's sleep in a comfy bed, knowing you can wake up fully rested the next day. The upstairs bedrooms offer the same level of comfort, with three en-suite double rooms and a twin room that utilises a shared family bathroom. There is also a second living area upstairs, with a television and indoor games, set to entertain kids throughout the day and evening, so adults can enjoy peaceful moments downstairs!

Outside, Villa Ellen offers everything you need to enjoy the sunshine, with deck chairs, a private pool and outdoor dining, this tranquil space feels completely relaxing. For those looking to explore all that Orlando has to offer, this villa is the perfect base!

What we love

- The villa is located in a luxury resort, just a short drive from the Orlando parks and offering its own fabulous facilities as well
- The villa is bright and airy throughout, with a double height ceiling and windows in the living area that floods the room with light, keeping a constant connection with the amazing Florida climate!
- There is an entertainment lounge upstairs with a sofa, TV, pool table and air-hockey – providing endless entertainment for kids and adults alike!

What you should know...

- Outside the terrace is fully shaded by a lanai screening, although not the most picturesque, it provides extra privacy and stops any pesky mosquitoes bothering you during your stay!
- As part of the outdoor swimming pool, there is a jacuzzi attached, however it can only be heated to the same temperature as the pool itself, should you decide to heat the pool
- The two twin bedrooms have Disney themes, including the Little Mermaid and Spiderman, providing a playful atmosphere perfect for any younger guests
