In Seminyak you'll find another resort with lively bars, clubs, spas and restaurants. It's a popular location in Bali for those who want a shopping experience or a spa holiday! Both locations are popular surf spots and nearby in Kuta, you'll find beaches where a lot of beginners will learn to.

If you are visiting as a family and can travel, there are locations like the Bali Treetop adventure park, great for those who love an adrenaline rush and want to have an experience like Tarzan! There is even a night safari available where things are flipped! Step into a cage whilst the animals roam free, and you can feed them! Great activities for all the family!

Exploring Bali will reveal all the island has to offer, from its surf spots, to its local and international cuisines, and of course it has a night life scene, it offers clubs and dance floors!
